Aventura clandestina Michelle Celmer

Una familia inesperada

Nada podía impedir que Nathan Everett se convirtiera en magnate de una compañía petrolífera... excepto tener una cita con la hija de su enemigo empresarial. Sin embargo, cuando pensó que ya había dejado atrás la aventura con Ana Birch, apareció ella, magnífica como siempre... y con un bebé que lucía la reveladora marca de nacimiento de los Everett.

Con todo su futuro en juego, Nathan tenía que tomar una importante decisión. ¿Se atrevería a hacer pública su relación con Ana, arriesgándose a perder todo por lo que tanto había trabajado? ¿O le daría la espalda a la familia que siempre había temido tener?

review has Spoilers

Nate and Anna had a rough start, especially since Anna never told him she was preggers and had his baby after he dumped her. As soon as Nate figures that out Anna can't shake him and is forced to admit her feelings that she still harbored. All in all i thought it was a pretty good read and recommend it to Romance lovers who enjoy short reads.
