### **Robert Owens says**

Queen Claudia has hatched her plan. Not being able to harm a visitor to Fairyland, and noting hiring others to do the deed has failed, Claudia meets with the elders to change the laws. A new human will be invited to Fairyland. Should this new girl find the key first, Gert will become a resident, not a visitor. Claudia will seek her revenge at that point.

The new girl is from Wisconsin. She's cute. She shoots rainbows. At the conclusion, Gert is MIA and perhaps dead (probably not, eh?).

This should be good going forward with an opponent.

### **Jim says**

Things were bad for Gert, after 30 years in fluffi' Fairyland she's not even close to find the key which will bring her back to our world. At least she doesn't have any competition right? WRONG, a new girl popped out and she is also looking for that one key. Let see the competitors

GERT: Time spend in Fairyland: 30 years, friends made: 1 (kind of a friend ), closer to the key: 20%  
HAPPY ( yes that's her name ): Time spend in Fairyland: 1 .... day, friends made: all of them, closer to the key: 50%

Oh and Happy is super powerful.  
I wonder how Gert will come out of this tough situation.

### **Tera Slawson says**

I love these so freakin' much. Volume 1 was great, Volume 2 was ok, Volume 3 is back to great.

---

### **Krista says**

Ah, the plot thickens....

Gert is really in a race now and she's not looking all that healthy at the moment.

En verdad no puedo con el humor y la originalidad de esta historia.

¿Para qué leer i hate fairyland 3?

1. Por el uso del humor macabro que puede generar la fantasía, hace que te duela el estomago de tanta risa.
2. Los escenarios son malévolos.
3. La protagonista pasa por mil y un calamidades que hacen que la historia se haga interesante y adictiva.
4. El final es grotesco, asqueroso, pero eso le da un toque cruel bastante interesante.

AMANTES DE LA SANGRE Y LAS TRIPAS, DEBEN LEER ESTA HISTORIA YAAAA.

### **Darinda says**

Gertrude is a little girl who was sucked into Fairyland. Twenty-seven years later, Gertrude is a grown woman trapped in her little girl body, and still trying to get out of Fairyland. In this 3rd issue, Gertrude meets another "normal" trapped in Fairyland. Violent and gory, but with fun, colorful artwork.

### **Kevin says**

I'd like to nominate a really loud mouthed politician to be the narrator of this comic, I'm sure he'd do a great job.

**Imogene says**

I love you Gert

**Sebastian says**

The drawings are beautiful and every joke is well-thought. I just loved it and I'm looking forward to read the rest.

**Charlotte Jones says**

This is the third issue of the I Hate Fairyland comic series and again, this series improves with every issue that I read.

The characters that are introduced in this issue are intriguing and hilarious in their own right and the world is developing really well as the series progresses. This is definitely my favourite of the single issues so far.
