Nice to Meet You

Jessie J.

Nice to Meet You Jessie J.

This edition has been designed for use on all eInk devices and comes with never before seen images. One of the most inspiring talents to emerge from British pop culture, Jessie J's message is loud and clear: be strong, be determined and never shy away from Who You Are.

An international sensation and a multi-award-winning superstar, she took the music industry by storm, selling 11 million singles and 2.5 million albums worldwide. In this fully illustrated and highly personal book, Jessie J tells her own story in her own words with all the strength, honesty and passion you would expect.

This is Jessie J's real story, opening the doors on the individuality and unique voice that have made her an inspiration to young women around the world. She talks openly about her health issues and a heart condition, her thoughts on body images and how she discovered her own identity whilst breaking into one of the world's most competitive industries.

The bold and intimate tale of this young woman will shock and enthrall as she delivers her personal message with an unshakable confidence and modesty that will cement her place in pop culture as a much-loved star.

Helen Mears says

Okay, it's not the kind of book that I often read but I ADORE Jessie J and this was a sweet a enough account of her life to this point, chatty in style and filled with gorgeous pictures. And that's all I want from a book like this :o)

Rosie Donson says

Absolutely amazing! One of the best books I have ever read, couldnt put it down. Jessie is just so inspiring, talented, beautiful, respectful, down to earth and insane! I love her so much and reccomend this autobiography to anyone who feels the same way about her. If you dont like her, then dont read (but seriously get a life! Shes AMAZING) if you love her, you'll love 'Nice to Meet You'

Gemma Golesworthy says

Thoroughly enjoyed, found out some interesting facts about Jessie J which I didn't know. Can't wait to see her in concert next year! :-)

Lewis Thomas says

What began as a typically boring autobiography (I was born in... Blah Blah), actually developed into a heartwarming and sometimes brutally honest insight into the troubled past of Jessica Cornish. Wonderfully readable and genuine.

Hannah says

this book is very inspiring. jessie's life story was very interesting. it is quite a short book and would recommend it to ball jessie j lovers

Sophie says

alright

Princess Hannah says

Fabulous book, showing how inspirational Jessie J is! What a role model for girls, she's not trashy or focused on exposing her body. She portrays style, individuality, dedication and hard work! Good on you Jessie, proud to be a heartbeat! X x

Claire says

I thought this book would be an autobiography, but when I picked it up I could see that there were a lot of photos. It is part autobiography, but I would've liked more detail and less photos. There are some accounts of Jessica's early life and the story of her rise to fame, but with little detail. This book will probably be perfect for fans but it didn't really rise above a fan book for me. If be much more interested in a proper autobiography, as would my hubby who actually loves autobiographies and purchased this book.

P says

I love Jessie J! She is such an inspirational person. After reading her book I have even more respect for her. Very talented singer songwriter. Interesting read.

Lynn Ashley says

Gosh - one day to read this book - says something about it.
I really enjoyed it.
A couple of parts were a little boring - however, overall, really enjoyed it!!

Nick Turner says

Inspiring biography written in a winning girlish style. Tells the story of the songs and of the singer. With lavish photos from shoots and videos.

Amy Taylor-Smith says

Loved reading this book

Elle M says

Fully enjoyed the book. Read it in 6 hours. Didn't want to put it down. Love her.

Holly says

She is a very lovely lady who is a true inspiration and proof that you can get everything you've ever dreamed.! I loved reading the book and also the way it was written and layout was great!

Maddy Muscat says

I think Jessie j released an autobiography to early on in her career. it's interesting, and at the time of reading it I was obsessed with Jessie J so I absolutely thought the world of it then, but now I'm not so keen so I think it was good. I gave it four stars because to a Jessie J fan it's brilliant.
