### **Jenny (Novel Idea) says**

By no means great erotica but sometimes you just want to read a little smut. Daughter/Father sex is not my fantasy (I can't stand my father, lol) but I had the book and thought, "why not?".

### **Unapologetic\_Bookaholic says**

I have found Kindle offers a whole line of these hot daddy/daughter erotica shorts. Ranging from .99 to 2.99. You have to figure out what you're willing to spend for your smut fix. I just happen to really be feeling this pairing. No matter who writes it or how long, or, short, it is. Daddy does it.
