Preacher's Justice

William W. Johnstone

Preacher's Justice William W. Johnstone He Fought For His Freedom

In a land of towering mountains and howling winds, a man has found a home--away from other men and away from memories of the past. A trapper by trade, a fighter at heart, he has earned the name "Preacher," and a legend of his own.

He Fought For His Life

In the wilds, Preacher has learned the rules of survival, and he has killed in order to live. But now something is forcing him out of his Rocky Mountain range for the so-called "civilized" world. It is the memory of a woman. It is her blood calling out for revenge. . .

Now, He'll Fight For The Truth

In St. Louis, a girl from Preacher's past has been murdered. For the man whose heart she once touched, the time has come to leave the high wild country--for truth, justice and a new reason to kill. . .

A

Lori Cerullo says

great read. My 1st Johnstone book.Husband reads him all the time. Johnstone is his favorite author.

Barbara Lee Wood says

DON'T MESS WITH PREACHER

Preacher returns home after years in the mountains. His lady friend Jennie has been murdered. Dog, Preacher's confident and close associate killed one assailant, chewed ear off the other. These horrific action against his lady friend did not set well with our Preacher. So Preacher sets out for St. Louis to gather further information on the demise of his Jennie. He pays a visit to his parents, whom he hasn't seen in many years; there he finds out that his father is about to lose the family farm; because of a bank president who sees himself as land baron who is foreclosed on several farms..Preacher was told about the situation and decided it's the least he can do for his father is to pay the note due and his father would own the farm free and clear...remember women weren't allowed to own land in the eighteen hundreds...so if a husband died, the land would automatically go-to a male family member..(very messy)..Preacher tracks the killer to Philadelphia and finds the mastermind behind the murderers committed by Ben Caviness whom Preacher administered frontier justice ending his killing sprees...Dog is back with Preacher in their beloved high lonesome...(Rocky Mountains)

Timothy Boyd says

Pretty good western series. If you like Johnstone's writing you will like the series. Recommended

Richard Astle says

It was very nice to find out what Arthur's family name was as I have read many of these books and had always wondered if we would find out his full name, Arthur Coopersmith.

HornFan2 (Mike) says

Will post a review shortly.

Tori says

This and the one prior ("Preacher's Peace"), have great plot development. In this one it is complex, and even though the good guy usually wins in Johnstone's books, thus one does a very good job at developing an intriguing storyline that holds the reader all the way to the end. One of the best characters is a nod to the dog lover in many of us- he has a dog companion in this book and you even get to read "Dog's" thoughts! Took me back a pace....well done!

Eric says

Here we learn Preacher's last name as he returns home after 15 years on his way to Philadelphia to find the killer of his girl. Preacher helps out so many people in each adventure it's hard to believe he's human. He receives pardon from his family and find justice for his girl. Read the story to find out the deals of how he accomplishes these tasks.

Terie Bailey says

Nice but disappointing

Nice retrospective on Preacher's early life but the extensive reprinting from earlier work seemed a little much and disappointing- would have preferred condensed references to the past and more originality to the story being told in this book.
