I told myself I'd never go back to him after finally giving in to the urges two months ago. Once was enough, that was all I needed... at least, that's what I tried to convince myself to believe.

No matter how much progress I made, the cravings continued to test me. I still hid below his open window, listening intently to the screams of pleasure he brought to woman after woman as I desperately tried to satisfy myself.

It was no use. I needed the real thing. When I saw him at the mall everything fell apart.

### **Jane Doe says**

Again a super fast read, not a romance and light BDSM. Characters are more clear in this book. Lots of great sex scenes. This author really has a gift for writing some of the hottest sex scenes...with that said would love to see a story with characters more fleshed out.

#### **Sexy short read**

Man oh man I am still fanning myself. That was fast, hot and so flipping naughty. I absolutely loved it.

---

### **Selene says**

This short, smutty story continues on where part one left off. The female lead finally gets what she's been craving for again, but the story ends abruptly. On to the next part!

---

### **Ms Lady Jones says**

I liked it but was left wanting more

---

### **Tobia James says**

Oh, come on!!!!!! Ur gonna leave me like that?!

Well? Sex is still steamy & I love how things are developing....one can't get enough of the other. That's evident in the fact that Mr. Davis never repeats & he's done so with her twice already!

Is it bad that I don't want this to turn into an *I love you* fest???

---

### **Lauren Anne says**

Quick Read. Nothing romantic about this story, just plain light BDSM - sex sex and more sex....

---

## **Shurrrn says**

### **There's no going back now...**

*I still occasionally sat below his window wondering if he knew I was there or not, pleasing myself as he used each of them to satisfy his own desires. I craved to be back in that chair again, trembling by his hand.*

Casey was left reeling after her night with Mr. Davis - her demanding neighbor used and debased her to satisfy his own lust. She tried staying away, tried ignoring him, tried turning a blind eye to the parade of women Mr. Davis is still bringing home...

But it wasn't long before she started sitting under that window again...  
Craving to be used once more...

This installment of the Kept series includes the following elements:

*Voyeurism,  
Masturbation,  
Orgasm denial,  
Light BDSM,  
Domination,  
Sex in public,  
Light bondage,  
& consensual rape fantasy*

This is not a romance - this is some good ol' fashioned kinky fun...

## **Kkumar says**

OMG!!! Short and super spicy is all I can say!

---

## **Amara says**

I feel like I should have a shelf entitle "porn". That's all this series is. They're really short, but she has sex with 7 people. There's no plot. The titles make no sense, the blurbs don't even match the story.

Details that seem like they might be plot lines dissolve and fizzle, and are never touched on again.

## **Cynthia Siermienski says**

### **Taken: I Am His Dirty Little Secret**

Book two is just as great as one. She is getting just what she wants and looking for more. Can't wait to read more.

---

## **Felicia says**

wonderful and suspenseful.. I am enjoying the people in this short story and in so many words it gets right to the point...

---

## **Original Doll (Lea Martinuš) says**

These short stories are awesome!

---

## **Alexis Bocanegra says**

This is a well written short story that will leave you wanting more. I've read Fifty Shades and the scenes are better detailed in this story than in all three Fifty Shades books. I'm definitely hooked.

---

## **Dawn says**

Fun, Hot, Sexy, quick read!!

---
