## Enforcer Travis Hill

Eighteen-year-old Connor Dunsmore was about to begin his professional hockey career as the top NHL draft pick when an on-ice accident shattered his life's dream. Eight years and over five hundred stitches later, he's become a fan favorite as an enforcer for the Boise Bombers of the United Professional Hockey League.

Off the ice, Connor also moonlights as an enforcer for Costache Ojacarcu, the Bomber's owner, and head of a discrete Romanian organized crime operation in the Treasure Valley. What started out as running simple errands for extra money to supplement his meager hockey salary has evolved into collection, intimidation, and retribution.

After becoming an unwilling accessory to murder, Connor's life begins to spiral out of control. When he rescues a prostitute from an abusive drug dealer, he begins to dig himself in even deeper, and soon realizes how entrenched he truly is.

#### **Hockey player gets involved in Romanian mob!!!**

Really good story about a hockey player that does odd jobs for his team owner, who happens to be a Romanian crime boss.

Pretty well written and an engrossing read.

#### **Forced reading**

Put c. all together, a good read. At times, too much of a sob story. Found myself skipping paragraphs and sometimes pages, but the story line kept my interest

#### **Fantastic Read!**

Fast paced, detailed, could not put the book down. I felt as much a part of the main character as I possibly could. I lived his life, good and bad from page one to the epilogue. A must read book!

### **Cindy says**

Interesting tale. Vulgarity and sex references. Storyline would've been improved without them. TTS-enabled eBook ©2012

### **Will Decker says**

This story should have been a bust. I don't follow hockey-the lead character is a hockey player. I don't read mob stories-plot centered around a Romanian crime family. And yet, I loved it! The characters were well developed and believable. You quickly felt like you knew them on a personal level. The plot was fast paced, an edge of your seat thrill ride with a lot of suspense. I wasn't expecting the ending. That caught me by surprise. Though I shouldn't have connected with this plot, I did. A very emotional story that is sure to suck you in and have you rooting for the good guy!

### **Cole Edgington says**

Great book if you are ok with swear words. A lot of action and a lot of different problems in the book. Also there is a lot of unique characters.

#### **Excellent read**

This is a great novel. I will definitely be looking for more works from this author.

Very entertaining story line!

### **Philip A. Guercio says**

#### **No depth of characters weaker plot line**

The book read quickly and was more like a bad cop movie from the eighties. Storyline was weak and the characters had no depth.

#### **Enforcer**

Interesting to find out that the real "enforcer" is not Cooper, but one of the other characters in the book.

---

### **Charles D Pierce says**

The story was not that interesting. I kept reading trying to get somewhere. It isn't that there weren't places that kept your interests; it was so slow in developing. I kept speed reading to get to what was developing into a feel-good ending--which is good.

### **SimyCat says**

The book was very slow to start for me. I almost gave up on it a couple of times. A little over half way through the story picked up and I was able to stay with the book.

**Brenda says**

I didn't know it had anything to do with hockey when I picked it as a freebie from Amazon.com. But knowing a lot about hockey didn't matter. At times the blood and such was a bit much but the story was such that I couldn't stop reading it. I kept having to go find my Kindle so I could read more.

**Beth says**

A story that ended well but was depressing and draggy for most of the plot-line.

A very minor league hockey player gets mixed up with the Romanian mob and his life gets real bad.

---

**karmen edwards says****Was not sure how it would end**

Took me a bit to get into it, but kept going and really enjoyed it. Was not sure how it would end, kept me wondering.

**Cathy Matthews goldshot says**

Great story. Enjoyed the way the author developed the characters. Wonderful story line. This one held my interest from beginning to end.
