This was a reread for me. It was just as good the 2nd time around. I am happy I chose to read it again. It was just what I needed.

Yaay! This book is the sequel to Scenes from a Sista. I thoroughly enjoyed reading this book. Some of the questions from the prequel were answered. However, Lolita Files has such an awesome writing style that leaves the reader wanting more. Yes, Misty finally gets "her man". Her plight is wonderfully crafted and packaged. Misty's luck leaves the reader grateful to have read. Yet Reesy's emotional roller coaster of a life leaves the reader astonished. This book is a MUST READ!

I loved Scenes from a Sistah. This book seems to be starting out slower. Its a decent read but not as good as the first one. I'm almost finished.
