His Virgin Vivian Wood , Samus Aran

Librarian note: Older cover of B0711GQY2Q.

Whatever she wants, I want it ten times harder.

My name is Elijah Scott, and I'm going to be your next president. I'm a rich, ripped, and ready to conquer the campaign trail. When it comes to women, I'm not looking for anything serious. Not now, not ever.

Until I see Meredith.

The sweet little blonde with curves in all the right places. One look into those beautiful blue eyes, and I can't help imagining how her hips would fit just right in my hands.

I'll never forget the secret she whispers in my ear: she's never been with anyone before. She's a temptation I can't resist.

She's fresh out of college, just twenty-two years old and on the campaign trail with me... as a reporter. One leak exposed by Meredith, and my entire future goes up in flames.

As my secrets pile up, I can't stop fantasizing about Meredith. She's dangerous, a risk I can't afford... but her taste, her voice moaning my name over and over... I can't stop. Worse, I don't want to watch her walk away.

This full length romance features some dirty words, adult situations, and is approximately 60,000 words.

RoseyLovesBooks says

His Virgin: A First Time Romance by Vivian Wood is a Contemporary Romance

Meredith Fields is a recent Columbia University journalism grad who will be working at her father's company the New York Tribune over the summer in exchange for her trust fund being released early. Meredith and her best friend Lily attend a masked party where they'll be partying with politicians, actors, and models and they're ready to let loose and maybe lose her v-card. Elijah Scott has worked nonstop for months prepping for his presidential campaign and finally has time to party and let loose with his friends and he didn't intend to waste a single second. Elijah and his friends attend a masked party where a beautiful petite blonde gives him the hottest lap dance of his life in a private booth until her friend drags her away. Meredith's job is to report on the presidential campaign and she's shocked when she meets the young and sinfully handsome presidential candidate and realises he's the masked man from the party. Elijah is stunned when he realises Meredith is the woman he's been fantasising about nonstop since the party. Elijah wants Meredith but knows that if he started dating a reporter who was working for his campaign, they'd both be crucified ... but they can't stay away from each other and start seeing each other in secret. What happens when Elijah's jealous and spiteful campaign manager Sosie, who has the hots for Elijah, finds out that Elijah loves Meredith and leaks their secret affair to the press?

His Virgin is funny, angsty, suspenseful, and steamy. Vivian Wood paired an intriguing story with interesting characters for a book that had me hooked from start to end. I highly recommend this book.

Missing

It was a ok story. I would have liked it more but the ending was too incomplete. Why do authors mess up the endings?

Sherill says

PASSIONATE ROMANCE THE BURNS THE SOUL

A titillating romantic tale that lures the reader from the beginning of the story until the conclusion with the dynamic plot, jealousy, camaraderie, suspense, toe-curling sizzling passionate romance and a superb happy ever after.

Elijah Scott is strikingly handsome, has mesmerizing gray eyes, a hot bod and is on his way to fulfilling his dream to becoming President. Meredith Fields is sassy, highly intelligent, a blonde, blue eye beauty and an untouched maiden. Secrets unfold as the two are thrown together on the Presidential campaign.

Fast-paced wonderfully written story with a cast of praiseworthy characters that spring to life with engaging dialogue and powerful scene descriptions that leave you wanting more. Emotional ups and downs occur, as well as fun times. The relationship of Elijah and Meredith is more than convincing and filled with much devotion and respect. If you treasure fantasy romance this is a great read for your library. I found this to be a most enjoyable read so {I voluntarily reviewed an advanced copy.} Without reservations, I recommend this book.

April Symes says

Meredith Fields is a recent Columbia University journalism graduate student who has gotten the awesome opportunity to work for her father's newspaper company over the summer in exchange for her trust fund being released early. Meredith and her best friend Lily happen to attend a masked party where they'll be partying with all these politicians, actors, and models and they're ready to let loose and while there, Meredith thinks she could lose her virginity. Elijah Scott has worked nonstop for months prepping for his presidential campaign and finally has time to let loose and get wild with his friends at this party. Elijah and his friends attend a masked party where a beautiful petite blonde gives him the hottest lap dance of his life in a private booth until her friend drags her away. Neither thought that they would see each other again but they did when Meredith runs into Elijah, as she is reporting on the presidential campaign trail. She is completely shocked when she runs into him and realizes that he is the man she gave the lap dance to. Elijah comes to realize who Meredith is and realizes that she is the woman he has been dreaming about. They start to see

each other in secret. What happens when Elijah's jealous campaign manager Sosie stirs up trouble? Will their relationship cause shock waves and break this couple up or will they be able to ride the waves to the White House? This is a thrilling and steamy political romance with a great couple who heat up the pages. There are many twists and turns in this story. You have to read this story to fully get the players involved but trust me, Ms. Wood has another hit on her hands.

My Rating: 4.7 stars *****

"I voluntarily reviewed an Advance Reader Copy of this book in exchange for an honest review***"

Andrea says

Eli and Meredith meet at a private, exclusive and anonymous sex party and are attracted to each other. Days later, they met again, until then ignorant who the other is.

Too bad that Eli is the presidential candidate and Meredith is the representative of the paternal media company and future journalist, and 13 years younger too.

They are obsessed by each others, longing to be with each other and wishing for a relationship.

But their love is forbidden by the age gap and the conflict of interests of the campaign. It is pure agony to keep their love a secret.

Reading His Virgin makes you feel the same feelings as the protagonists and sends you on an emotional roller coaster ride.

I loved reading it!

Jackie D says

Elijah Scott is running for President- one night out with his buddies at free for all party, he meets a woman.

One he wants more than anything. One that could ruin his political career before it even begins. Both

Wearing masks he thinks he will never see this gorgeous wild woman who has landed in his lap, she is quickly taken away from him by her friend- thinking he would never see this woman again. He is left with

dreams of their brief encounter. Until she shows up with her father- an esteemed man in the journalism community, His daughter Meridith is one of the reporters who will be following him on the Campaign trail.

The minute he sees her eyes hears her voice and name, Eli knows this is the same women from the party. His life just got a lot more complicated, and he actually might like it that way.. Secretly of course.

His Virgin is hot, fast paced virgin 'ess read with a sweet and salty side. I loved every minute of this book!

Eli and Merideth are an awesome couple with a hot connection, loved watching them come together!

This book kept enchanted with the storyline, swiping pages wondering how long it would be before Eli would figure out who the instigator/meddler was, plus I had to know if I was going to get that HEA!

Another 5 Star read by Vivian Wood! I look forward to her next book!

Amanda N. says

Secrets Can Turn Your Life Upside Down, If You Let Them...

President Elect Elijah Scott decides a little secret fun is in order before hitting the long campaign trail. With his buddies he hits up a night club that's all about keeping things secret. While there, he meets a strikingly beautiful mysterious young lady. However, as fate would have it, she is wished away before then can share much more than a passionate kiss.

Recent college graduate in journalism, Meredith has been propositioned by her father... Once summer of working for him and he will release her trust fund early. Though she would prefer a post graduation party summer, she figures it's too good of a deal to pass up. When her father gives her her summer assignment, she is shocked to realize she has met Eli before, at a secret party, in NYC, her best friend drug her off too.

With sparkles flying between them and secrets being kept around every corner, can these two handle everything life throws at them?

This book was amazing. I love the His And Hers set of books and I found this to be a wonderful start to a wonderful series. I requirement reading them in order, in order to understand the place each person holds. But they can certainly be read in any order and enjoyed all the same. I definitely recommend picking up these books for an enjoyable, fun read.

Dorel says

This is the 1st book I read by Vivian Wood. The only thing I liked about this story was the hot & steamy scenes. This book's story line could have been better. I think Eli & Meredith acted a little childish. This story was definitely missing passion, chemistry, & romance.

SBee Reviews says

It's all politics only, baby!

I received an Advance Reader Copy for His Virgin written by Vivian Wood and voluntarily reviewed this book. Freshly out of university with a degree in journalism under her belt, Meredith Fields was offered a job with her father back in DC, at one of the largest newspaper companies in the country, which he owns. Meredith meets Elijah Scott when she is assigned to cover his presidential campaign and realizes that nothing is going to be easy about this job, because when they set eyes on each other, it will only be a matter of time. Being the only single presidential candidate, the paps are going to focus on him and everyone he is associated with, so Elijah just wants to make it through the whole process unscathed.

Nice story, glad they have an HEA. To me, Elijah's character seemed a tad little immature for his age (and for someone going to be a president), in his treatment of her, especially with his jealousy issues. There also appeared to be a different standard in his relationship with his campaign manager Sosie (Elijah hiring her,

knowing her feelings for him, and she being allowed to display her possessiveness) versus his relationship with Meredith, who knew how to deal with the situation, but he was not willing to be with her in public because she was not worth the risk to his campaign.

Nikki Malan says

One party that brings two people together and leaves them both thinking of each other and what could have been. Meredith Fields is fresh out of university with a degree in Journalism. She is forced to work for her Dad, who runs one of the biggest newspaper companies. Her assignment is to follow the presidential campaign of Elijah Scott. On introduction she knows this is the same man that wore the mask at the party. Elijah pretends he does not know her. However, the attraction for one another is undeniable and one thing leads to another. Can Meredith be his dirty little secret or is that too much to ask for? Elijah is so close to getting what he has always wanted, to be president. Can he let Meredith in or will it be frowned upon, which could have a detrimental outcome for him. What about his campaign manager who has her eyes set on him. Is she the better choice to help his career? I enjoyed most of this story. At times I found that Elijah was a bit weak and was pushed around by his campaign manager. I wanted him to be strong and opinionated. I wanted him to go after what he wanted to show strength in all his decisions. I also at times found him to act immature considering he was 10 years plus older than Meredith. I liked Meredith she stood her ground and was the better person for it. I found the character build-up of her characters was great. The story flowed and had enough climax and angst, which I always enjoy. My only issue was at the end. I wanted a bit more and felt like the last part was a bit rushed. However don't let this stop you from reading this little gem of a story. There is nothing like a future president with a dirty little secret or two.

Hot books and Sassy Girls

Nazneen says

3.5 Stars

Elijah & Mer's story was good but, Ellie & Henry's story would be my favourite of all..For me the love & intensity was more in their story..I liked how Mer doesn't let him take advantage just like that.Gosh that manager of Elijah was such an asshole..she was so jealous. I liked how he announces for her on the national television. I liked glimpses of Henry & Ellie.

Natalie The Biblioholic says

I couldn't finish it. I've now made a New Year's resolution: if I can't connect, I'm not going to force it. I enjoyed the author's writing so I know I'll be reading something else from her when I get the chance, it's just that these characters didn't call to me.

Judy Robichaud says

WHO SAID POLITICS MAKE STRANGE BEDFELLOWS? NOTHING STRANGE ABOUT

PRESIDENTIAL CANDIDATE, ELIJAH SCOTT!!!

Hot presidential candidate Elijah Scott unknowingly gets a lap dance at a masquerade party at a club from the one woman who will change his life.

Summer Plans change for the virginal beauty Meredith Fields. Upon making a deal with her journalist father, Meredith puts her plans of vacationing for the summer with her friends on the back burner to work as a political Journalist on the presidential campaign for Elijah Scott.

Well you can imagine their surprise when they meet up at work and discover she's now covering his campaign. Ignoring each other doesn't work. Their chemistry is sizzling and working so closely together does nothing but fuel the attraction between them. They can't seem to keep their hands off each other and that's may prove to be disastrous if the public finds out. What will Elijah do when he finds out Meredith hasn't given up her "V" card. Will he have the willpower to stay away? Will she?

Can they have a relationship? What happens if and when the public find out about their romance? Can they keep it a secret? If not, will it be the end of Eli's campaign? Can Meredith handle being his dirty little secret. How far will each of them go to fight for the love of their lives? Or will they walk away from each other, leaving behind a love that only happens once in a lifetime?

It's a fight to the finish line for both Elijah and Meredith. One click and take the journey with Elijah and Meredith in this suspenseful, passionate and sexy read.

I voluntarily reviewed an advanced reader copy of this book and also purchased my own copy.

Reading Addict says

I was given a copy of His Virgin and this is my freely given honest review. There are two stories in this book. This first is His Virgin. A story about a 36 year old presidential candidate named Eli. He's former military and his focus has been on achieving his goals since he was 18. He heads to a mysterious party with friends to let off some steam in anonymity where he has an encounter with a hot girl. Enter Meredith, she's just graduating college and will be spending the summer working for her father rather than celebrating with her best friend traveling the world in search of parties. Saying that she is disappointed to be covering a political campaign for her father's publishing empire is putting it mildly until she meets the candidate! These two try everything to keep from getting involved but there is no stopping love. Their story is told from a dual POV and I give it 4 stars. At 50% of the book the next story takes place and it is called Rock Me. It's the story of a shelter young woman named Serena and a famous rock guitarist named Rhys. This story is told entirely from Serena's POV and is a 3 star for me. It's not bad but not great. It was cute but not as complex as the first story. The quick version is girl dumps fiancée for cheating, meets cute guy, cute guy turns out to be rock star, guy asks her to pose as his pretend girlfriend, she gets in fight with friend so she accepts the job, girl and rock star find out that maybe this isn't a pretend relationship after all. This book is definitely worth reading and I will be reading others by Vivian Wood in the future.
