## **From Reader Review Little Miss Stubborn and the Unicorn for online ebook**

### **Gavin says**

Despite plenty of evidence to the contrary, Little Miss Stubborn maintains her disbelief in unicorns.

---

### **Julia says**

The book itself is a little whatever, but it has a unicorn in it and it sparkles.

---

### **Mathieu Fortin says**

Rosanne a bien aimé!

---

### **Sarah says**

Simon, oui, ça compte!

---

### **Lauren says**

As I'm not feeling at all well today, I'm indulging in quick easy reads.

Hargreaves at his best - it was colourful, daft and Little Miss Stubborn was as stubborn as ever. Oh, and there's a unicorn too! What's not to love.

---

### **Chris Wing says**

Quite ironically, Littlest chose this book for bedtime reading (yes, for someone who is stubborn about choosing her own knife and fork for dinner and \*not\* wanting to eat her dinner!) and it is indeed another bit of fun.

Little Miss Stubborn obviously has yet to learn anything in life and here we have her stubbornly refuting the whimsical reports of Mr Men and Little Miss who tell her about a Unicorn.

This could, of course, be an allegory about how critical thinking can go wrong, or how faith in something (or the lack of something) could be shown to be unfounded when in the faith of evidence for that something.

But, it's probably just a story about how funny Little Miss Stubborn can be with her steadfast refusal to be swayed by others, I suspect.

---

**Kristel says**

Cute! I'm little miss stubborn and she is me!
