**The Seduction of Molly O'Flaherty** Sierra Simone  
**One lingering wound.**

**One ill-timed visit.**

**One encounter that will change them forever.**

\*\*\*

Molly O'Flaherty has hidden a terrible secret, a secret that destroys her on the inside at the same time as it hardens her face to the world. She'll do anything to keep O'Flaherty Shipping running and solvent, even endure the unimaginable.

But she doesn't count on Silas. On Silas's words or Silas's touch. After ten years, could what they feel for each other suddenly be something more than friendship?

**\*\*\*The Seduction of Molly O'Flaherty is a short story and a prequel to the London Lovers duet. It is not necessary to read this to enjoy the duet. It is intended for mature audiences only.\*\*\***

## From Reader Review The Seduction of Molly O'Flaherty for online ebook

### Monique says

#### 4 'MY pretty girl' stars

This is a very short read. Not even a novella, more a chapter only. And it's free on Amazon. It's the introduction into series about Molly and Silas. They first appear in The Awakening of Ivy Leavold, which is also free on Amazon. I liked them from the start, even more than Ivy and Julian, protagonists of the Markham Hall series. So, of course, I'm thrilled to read their story, especially after reading this chapter. Can't wait to get my hands on The Persuasion of Molly O'Flaherty.

---

### CC says

5 Stars!

What a prelude to story of Molly and Silas!! I loved it!! From reading the Markham Hall series, I couldn't wait to see how things would develop between Molly and Silas. This prequel is hot and captures an incredibly romantic moment between these two characters.

**"Such a pretty mouth, he muttered, speeding up the rocking of his hips. Such a pretty face. Such a pretty girl. I flattened my tongue against the underside of his cock, tightening my lips around him."**

Sierra's writing entranced me from the first word and I am immediately continuing to the next book in the London Lovers series!

London Lovers Series:

### Brenda says

Ok, um I'm a bit confused.

I feel I've read a story that started long ago.

It mentioned Ivy Leavold and the end of her story, I presume. So, I think I should have read The Awakening of Ivy Leavold before this one.

I can say there was a triangle love. I don't know if I should read it, knowing that. (I hate love triangles) I also don't know if I should continue with this series bc even though I liked the writing, I didn't feel it.

It was as if they already loved each other but I've never seen HOW they fall in love :/

---

### **Sophia Triad says**

This is the first historical romance/erotica that I have read by Sierra Simone and I loved it!

The dialogues are poetic like you are watching a play, the descriptions are lyrical and the sex is decadent and delicious.

The dark, painful descriptions of Molly's torment also emphasize the healing process and makes you part of Molly's relief and care.

The story of Molly and her friend Silas has started 10 years ago, but only this time it is expressed with love and commitment.

### **Sher♥ The Fabulous BookLover says**

#### **The most delicious 18 pages!**

---

### **Janey says**

4.5 Little doll stars

A perfect introduction to Molly & Silas's story, who we met in the Markham Hall series. They were both part of Julian's vibrant band of merry men & women.

---

### **Jacqueline says**

A smutastic prequel that has whet my appetite nicely for Silas and Molly's story. Filthy dirty talk. Could be read as a standalone, especially suitable if you're looking for a quick and dirty quality one handed read. This is a freebie and the rest of the story is available on KU.

---

### **Dawn says**

A nice peek into the complication of Molly & Silas.

Now off to start The Persuasion of Molly O'Flaherty...!!!

---

### **Kira Simion says**

2.5/5

- Very short
- Smooth writing
- Quite a few loose ends.
- cliché, but interesting nevertheless.

---

### **Myla says**

A glimpse of things to come between Silas & Molly. Great HOT intro!!!

---

### **Dana aka ♥Belladonna♥ says**

At eighteen pages, you might think this prequel to The London Lovers series could be easily skipped, but you really shouldn't miss out on this little gem. If you have yet to read The Markham Hall series, this will be a great introduction to the characters. And for those of you that loved that series, you get some answers about Molly's behavior in book three of the Markham Hall series.

Though short, by the end I was totally emotionally invested in Molly and Silas' story. This book had me teary-eyed and hot-n-bothered all at once. The Seduction of Molly O'Flaherty is one hot little slice of Historical Erotica that you should definitely pick up.

♥ Jx PinkLady Reviews ♥ says

**This SHORT STORY will be available as a FREEBIE very soon!**

**What happens when friendship develops into something more?**

Strictly speaking this short story is not an essential read prior to The London Duet series. However, in an ideal reading world one would devour because it perfectly sets the scene and tone for the story of Molly and Silas. The glimpse of the story arc and the potential of what may develop in the London Duet is highly intriguing and engaged my attention from the very beginning. It gives an indication of Molly's life experiences and upcoming plight and provides the context of where the friendship line may have been crossed with vivid HOT and SEXY writing that shows the development of their relationship.

*To conclude a super, luscious start to the love story of Molly and Silas, a historical, erotic romance.*

\*\*\*NOTE: The Seduction of Molly O'Flaherty is a short story and a prequel to the London Lovers series

Advanced copy received for my honest review thoughts

**Mirjam says**

*“Don’t move,” he whispered against my mouth. “Just let me have it.”*

Jeez, this was a utterly perfect beginning of this serie. Silas, sigh, god he could make ME feel good anytime any day! This prequel will make you crave the rest of the serie, so yeah there is where I will be.....
