## **Waiting on Love** Leah Atwood

Is it ever too late to do the right thing?

Tanya Reeves dreamed of happily-ever-afters and a family that included a husband and children, but life rarely turns out as planned, which she discovered the hard way when she got pregnant in high school. For seven years, she has raised her daughter without a father, however, the dream never died.

Scott Lamar never meant to abandon his daughter and pregnant girlfriend, but life happened, and college provided a means of escape. All that changed when he found faith in God, and now he wants to make up for his past mistakes. He concocts a plan that sounds crazy to most, but he pushes forward, determined to be a part of his daughter's life.

Waiting on Love is a bonus Christmas novella in the Modern Convenience series. It can be read as a standalone, but you can read the story of Tanya's brother, Archer, in Calling Love.

# From Reader Review Waiting on Love for online ebook

## April says

3+ Stars

---

## Allison says

This is by far my favorite out of this set so far. This one seemed to end fast, but I don't know if it's because I just loved it that much or if it is because it was a little shorter. Books that grab my heart strings are always my favorite and this book did just that!! <3 I highly recommend this book to any reader, because this set of book is worth the read!

---

## Becky Macy says

Will she still love him, as he loves her?

Scott returns to the town where he had to leave during high school, hoping to reconnect to his past girlfriend, with the intent of possibly making it work. Tanya is reluctant, but feels she owes him the time to listen. It is a wonderfully written, easily read novel, with Christian emphasis. I really enjoyed reading it and am confident you will, too!

---

## Linda Palmer says

### Loved this

A great story of loss, forgiveness, and love. And love does cover a multitude of sins.

Impressed with the obedience to God of the couple in this story. There is a lot to be learned from this story.

---

## Denice Darland says

### Short and sweet

Forgiveness is such a tough lesson and no easy task when real damage has happened. Life can be so messy at times. Thanks for a great, heartfelt encounter that can touch hearts everywhere.

---

## Cari says

*Waiting on Love* is part of a Christmas collection I found on good ol' Kindle Unlimited. While it took place

around the holidays, it really lacked the holiday glow and warmth that is a "must" in any book labeled as a Christmas read. For me, it was just an okay story--really nothing too special but not a bad read either. While I didn't particularly care for the details surrounding the "romance" here, there wasn't anything significantly unlikable about it, I just wasn't feeling it. \*shrugs\*

### **Lisa McDonald says**

#### **Beautiful story of forgiveness**

This is a heartfelt story of forgiveness and God's grace. It also tells of a strong family bond. Every book in this series was amazing.

---

### **Bree says**

3.5 stars

---

### **Suze says**

#### **WAITING ON LOVE**

A sweet novella, short on words- long on love and forgiveness. I always enjoy this author's books, her characters come alive.

---

### **Eileen Egerton says**

#### **Good clean story**

Showing how one can forgive & be blessed by doing the right thing. Wishing the story was a little longer.

---

### **S Sanders says**

Short but sweet story of second chances

---

### **Alice LaJuett says**

good

Christmas miracles, i enjoyed this short story very much. Great story line, believable characters I look forward for more from this author.

---

### **Sue Ferryman says**

#### **Family Ties**

Sweet book reminding us how important forgiveness is to all of the family . A feel good happy read.

The author has a warmth to her writing.

---

### **Donna Campbell says**

#### **Sweet**

This was a really sweet story about forgiveness, family and moving on. This was a really sweet, clean romance with light religion included.

---

### **Karen says**

Awesome story of forgiveness and its benefits. I'm so glad that Tanya got her own happy ending. Simply short and sweet. Loved it!
