Candace Cameron Bure

**Kind Is the New Classy: The Power of Living Graciously** Candace Cameron Bure

**“The world has a way of defining you if you don’t know who you are before you get out there.”**  
—Candace Cameron Bure

As a woman in today’s world, you know what it’s like to feel pressure on all sides from clashing cultural expectations. How can you stay true to who God has uniquely created you to be in the face of the script you’ve been given? What’s more, how can you stand your ground with grace?

The classy confidence you know and love—whether it’s on set at *Full House* or *Fuller House*, *Dancing with the Stars*, *The View*, or Candace’s Hallmark films—is no act. But it hasn’t come easy. In fact, learning to stay true to herself with grace has been one of the biggest fights of Candace’s life.

The secret, she has learned, is kindness: it’s classy, unexpected, even counter-cultural, and ultimately wins the day.

In *Kind Is the New Classy*, Candace reveals the thought patterns and practices that have empowered her to stay centered in who she is while practicing radical graciousness toward others. Whether you’re navigating major life choices, questions of calling and career, relationships, or personal goals, this book will show you how to:

Keep your cool under pressure Respond to criticism with grace Stay grounded yet go places in life Stay true to who you are despite the expectations of others Stay centered in what ultimately matters the most

*Kind Is the New Classy* is your permission to go off-script, to say goodbye to society’s “should’s”, and to step into a new way to flourish as a woman today.

## **From Reader Review Kind Is the New Classy: The Power of Living Graciously for online ebook**

### **Amber says**

I really like Candace Cameron Bure as a person. This book offers good tips and insights for everyone to be kind and compassionate toward others. I appreciate that she is bold in her Christian faith and doesn't hesitate to share it.

---

### **Jessica Ashe says**

I listened to this as an audiobook and thoroughly enjoyed it! Candace is the narrator which I generally don't prefer from the author but she did an outstanding job and her voice is sweet & peaceful, quite like the book itself.

What a perfect uplifting Christian read that embodies what Christ longs for us to embody. Candace touches on many different topics from embracing kindness in all aspects of our life, hosting with friends and family, loving ourselves, posture, bible reading tips all the way to journaling & prayer.

She makes many unique points with biblical scripture to back it.

Excellent read!

### **Lori says**

A nice book about learning to be kind to others. Candace writes her book about being faithful to God. and using those beliefs to be kind to others. She offers many chapters of how to learn to be a better person by being kind. A pretty good book.

---

### **Rhonda says**

I should have known better. I really like Candace but her outspoken religious views annoy me. I guess I was hoping this would be lite on religion. Nope. I think I made it thru 15 minutes. You don't need to be religious to be kind. Oh well, guess I'll just wait for some more Fuller House.

---

### **Lindsey says**

I really enjoyed Candace new book. I listened to her book on audio. That's definitely the way to go. I agree with her to always treat everyone with kindness. She gave stories of people treating her with kindness. Also others who didn't and she could have been mean back but instead she was the bigger person and was kind. She talked about her faith and about her testimony how she became a believer. I can't wait to read her other books. She's a great role model.

---

### **Ash says**

Candace Cameron Bure's *Kind is the New Classy: The Power of Living Graciously* is a simple guide of how to respond to another person's wrath.

Cameron Bure wants us not to go down to their levels but stay at an elevated one; To stop, take a breath, and respond logically and graciously. Hate begets Hate and Cameron Bure wants to obliterate our "Me First" mentality. " She wants us to use kindness in every step of our lives: at work, with friends, and with strangers.

I really enjoyed *Kind is the New Classy*. I thought it was a good blend of logic and faith. Then again, Cameron Bure is one of my favorite Christian authors because she doesn't give the reins to God completely. We are still accountable for our actions.

Also, she has never preached in any of her books, and I've read them all, or try to convert the readers. I love and appreciate that from her. I can't wait to read her next book!

---

### **Dawn says**

The overall message of this book is a great one. We need more kindness in this world. And repaying rudeness or nasty comments with the same type of behavior never solves anything. And, as a person of faith, we are called to act in love to ALL people whether we like them or not or want to be nice or not. This was a great reminder of that.

### **Katarina says**

HRV: Volim misliti da sam ljubazna osoba, no i dalje shva?am da znam biti sebi?na. Mislim da je to proizašlo iz toga što pretjerano dajem sebe za ljude koje nije briga, samo zbog toga što mislim da je tako najbolje i da tako treba biti; no zato sam uzela dosta dobrih savjeta iz poglavlja o prijateljstvu. Obožavam na?in na koji Candace piše - ?itaju?i knjigu imala sam osje?aj kao da imam jedan dugi razgovor s prijateljicom, i zato ova knjiga uspijeva. Znam da je Candace vjernica i bila sam znatiželjna vidjeti na koji na?in ?e se to izraziti u knjizi. Bojala sam se da ?e biti na na?in koji meni osobno - tako?er vjernici - ne odgovara, a to je pristup "prodava?a auta". No, na sre?u, to nije bio slu?aj. Ovo je žena koja živi svoj život kroz Boga i za Boga, ali tako što dopušta da te njen na?in života inspirira kroz njena djela, a ne samo rije?i. Osobno, ni ja ni itko koga ja znam (a obitelj mi je vrlo vjerska i kre?em se u takvima krugovima), nikada nisam naišla ni na koga tko "iz glave" zna citirati dijelove Biblije s to?nim specifikacijama gdje se to nalazi,

no to me nimalo ne odbija i prihva?am tu kulturu koja je druga?ija od mene. Osobno mislim da je na svakome da stvori svoju osobnu vezu s Bogom koja njima paše te je u skladu s glavnim vjerskim porukama ljubavi i oprosta, te nije ništa manje ni više vrijedna od i?ije tu?e veze. Candace daje nevjerojatno dobre savjete pritom ostaju?i otvorena, prihva?a druge i - kao i tema knjige - uvijek je ljubazna i dobra. Mislim da je to nešto ?emu bi svi trebali težiti. Iz dubine srca preporu?ujem ovu knjigu.

ENG: I like to think of myself as a kind person, but I am aware that I can still be selfish. I think a lot of it comes down to just giving too much of myself to the wrong people, simply because I believe it's what one should do and it is how I was raised, which is why I found the chapter about friendship to be especially insightful. I love the way Candace writes - it felt like we were having one long conversation (yes, a dialogue!) and like she was there as a friend, and it gives you this incredible warm feeling. The entire book is incredibly inspiring. I know that Candace is a religious woman and I was curious to see how that would factor into the book: I'm Christian myself but I've never read a book by Candace and was worried it might venture into the "car salesperson" form of preaching your religion. Luckily, this isn't how I found the book to be at all! It's a woman living her life in service of God, but she does so by letting it inspire you rather than shoving it down your throat. Personally, neither I nor anyone I've known (and I do come from a religious family) ever ventures on the side of quoting Bible verses and knowing exactly where they're from, so I always have to take a step back whenever it comes up, but that doesn't mean I didn't appreciate them. Candace gives incredible advice while remaining open, accepting, loving and - within the main point of the book - kind. I believe it's something we should all strive for. I encourage you to read this book, and I will try my best to implement it in my life.

### **Stephanie Pettus says**

Another great, easy read from Candace. Kindness and manners go a long way.

---

### **Kim says**

I enjoyed this book. It's simply written with scripture intertwined. I've just come out of a doctoral program and I feel like I stopped being kind to myself and therefore could not be truly present and kind to others. I feel renewed at the end of the program and this was a great book to get me back in the right direction.

### **Ellen Peterson says**

Love this concept... Kindness!!!

I'm not sure how Candace Cameron Bure survives swimming in a sea of sharks with vastly different beliefs. It must be her unwavering belief in God.

I must say, at times, I'd think how this is coming from someone with much different economic situation and struggles. Then I'd think... stop it! We're all people with the same needs, we all have struggles of some kind and... we all need kindness extended to us. Our world needs more kindness.

Kindness is indeed classy. Candace is classy. And best of all... kindness costs nothing. Give it freely...

Blessings on your day.

### **Alana/MiaTheReader says**

The message was good, and I love hearing Bure speak, but as a book Kind is the New Classy did not seem very cohesive. It seemed to me to be without a timeline or a clear process Bure went through to learn what she has and put it into practice. It was more of a short rundown of her thoughts and a few experiences on the matter, in no particular order, with some tips. Still a great concept and definitely an encouragement to be kinder to everyone in my life.

### **Mary Jackson \_TheMaryReader says**

Important, relentless, practical, and oh so convicting. Just a few words that I would use to describe this book.

Five books later and Candace can still move me and she writes the things no one else wants to write. And she does it with so much self confidence.

I am so proud of the lady that Candace has become and she is not afraid to share her Christian walk with the world.

The Tips and the Your Turn at the end of each chapter is worth gold to me. Candace lays it all out there for the reader.

What if all of our girls read this book and changed their hearts and became kind and classy ladies.

This is a life changing read. It is to be shared. When you buy a copy why not buy an extra copy and share it.

5 stars two times and I HIGHLY recommend this life changing book.

The Mary Reader received this book from the publisher for review. A favorable review was not required and all views expressed are our own.
