## From Reader Review Maid-sama! Vol. 10 for online ebook

### Dezel Marie Ocampo says

Misaki is getting frustrated because of the things she doesn't know about Usui. It becomes worse when Maria sensei enters the scene and Misaki catches her talking to Usui. If I were Misaki, I'll be frustrated too. Tsk. Anyway, I really love this volume because Misaki is showing her feelings towards Usui now, getting jealous over Maria sensei, missing him when he doesn't show up at the cafe latte and getting frustrated over the things she really wants to know about him. The last chapter also got me like asjsdkfjhkfghgfdh! It's a sweet fight and I love the kiss. :)

### Ihopes-Lecture says

Un tome assez laborieux à lire. Les deux premiers chapitres n'apportent rien à l'histoire. Seul le dernier chapitre est vraiment intéressant. On en apprend encore plus sur le passé d'Usui et il se rapproche de plus en plus avec Misaki. La suite semble intéressante.

PERFECTION TAKUMI & MISAKI!!!

Seika's student council are invited to Miyabigoaka & Maki's there too-& Misaki & the other Pres Igarashi talk in private & he asks what she plans on doing with Takumi WHAT & says they're 'interesting' & they're having this tense meal after & Usui shows up as a butler, pretending to be Usui-ja-nes LOL & acts like he doesn't recognize anyone & Iragashi sends for some girl to work some 'tactics' on Usui?? & meanwhile Misaki realizes what bugs her; she wants to know more about Takumi :D <3 & Misaki had asked him & he didn't really tell her why he was at the restaurant playing butler, but said he'd tell her if she kissed him, which, unfortunately, she didn't - & then a new teacher shows up at Seika but i'll bet it's the girl Iragashi hired, named Miyazona Maria & she's hot & the guy students are all over her & Misaki tells bitch straight up to cover up LMFAOOOO & there's some tournament at the school & the guys want Maria to accompany them & they agree & Misaki wants to protect her & trains one of the class' basketball teams & one day after school, she sees Maria with Takumi & she's hurt/jealous/annoyed & some of the guys one day are wondering why Usui & Pres are always together & he loves bugging her & they think he might like her but brush it off as impossible LOL & the basketball tournament starts & Usui joins so Misaki's class (Shitani's in her class) & they're losing badly & Misaki thinks Usui's only playing to make his class win b/c he doesn't wanna let Maria go... NO MISAKI, U & USUI & right after the tournament, Maria admits in front of everyone that SHE'S FALLEN IN LOVEW TIH MISAKI WHATT THE FUCKKK I DID NOT SEE THAT COMING :O (I thought this chapter title; 'A confession to Misaki' meant a confession from Takumi to Misaki but that'd have been hella obvious) & to explain the 'problem' with Maria's confession, her fiancé

shows up - maybe the fiance - Kamimura Shinji- will fall in love with Misaki too LOL & Shizuko one of Misaki's friends, says maybe Maria 'apparently' fell for Misaki b/c of her boyish prince-like personality HAHAH & OMG TAKUMI TELLS MISAKI THAT MARIA IS ACTUALLY A DISTANT RELATIVE OF HIS & TO BE CAREFUL AROUND HER WHATTTTT WTF is this Maria woman? & there's a gothic day at the maid cafe & MISAKI role plays a guy :P & Maria shows up again to tell Misaki her fiancé is fine & all but that she only likes girls & gets awfully touchy-feely with Misaki & asking about her relationship with Takumi & to basically forget about Takumi & then Misaki tells her to have some self-respect LOLOL & then Takumi calls her & asks if Maria tried anything with her & Misaki asks what'll he do if she says yes OMGG & then he shows up to meet her, all worried & EVERYTHING HE IS BAEEEE & she punches him & kisses him after - saying she kept her promise & he's gotta tell her about himself <3 <3

## Pinky says

Another amazing installment to this series, I don't know how I am going to move on from this series when I am done reading the whole thing! It is kinda like eating the biggest chocolate but you know it will be finished soon and you have to savor every bite of it. I have 8 more volumes to go and I am finished, I can't believe it!

*Don't ever lie, even if it's about your feelings.*

If you don't know already, this book is about a girl named Misaki who is the school president of Seika High. She works as a part-time maid in a cafe and wishes for it to be kept a secret. But suddenly, Usui discovers this secret and Misaki's life changes. For the better or for the worse, she has to deal with Usui. The two of them go through so many different things and learn that it is okay to open up to others.

Misaki is so cute when she is blushing

This was a really painful read to be honest, compared to the other books. I was so used to the happy and fun reads that I forgot about anger and sadness. I read this volume and it hurt so much because of the confusion that Misaki went through. She is desperate to learn more about Usui and he isn't giving her anything. He isn't telling her anything and I just wish he would just tell her.

If I think about it, it is hard to keep everything inside. If you hide your feelings and keep everything inside, it will hurt even more. It is best to tell everyone how you feel, especially to those you care about. You shouldn't hide every part of your life and expect other people to open up to you. It isn't fair and it isn't right.

I was so upset with Usui, but at the same time I felt bad for Misaki. She has to go through so much and she is so confused. She wants to know but she is never given a straight answer and I hope that will change soon.

The other characters were amazing, Shintani is so awesome. Yukimaru makes me laugh but he wasn't in this volume a lot. I feel like the new sensei that was introduced in this volume might cause problems and I am not a huge fan of her. Kanou and Sakura are also awesome characters!

I forgot to say this in my review for Volume 8 or 9 but I love the game Paki :)

I highly recommend this series to those who want to start reading manga or want a light, fun read. I also

highly recommend this to those who have watched the anime and want more of the characters. I was so relieved when I read this because we see more of how all of the characters move on and I love it! I'll be off to my reading spree now!

- Dramma! L'istituto Seika e il RicchieSnob (vabbè, Miyabigaoka, ma Ricchiesnob suona meglio) ponderano uno pseudogemellaggio e i due consigli studenteschi sono invitati in territorio nemico per valutare i termini di un'alleanza. Neanche a dirlo, che è una trappola l'ha capito anche un cane che passava di lì per caso visto che non si capisce in che mondo un liceo di persone tanto ricche da fare schifo vorrebbe gemellarsi con l'ultimo dei licei sfogati e problematici del Giappone. Certo, l'hanno capito tutti tranne Misaki, chedovrebbe essere quella intelligente.

Durante un pranzo in cui i RicchieSnob cercano di umiliare l'avversario dimostrando loro quanto sono ricchi e snob assistiamo a comparsate random di Usui, vestito da cameriere per salvare Misaki e i suoi amici. Perchè Tora glielo consenta visto che mira a mettere nei guai i PoveriMalmessi solo a Dio è dato di saperlo. Maid Sama insegna che a Usui permettono di fare un po' tutto, anche a sproposito.

- L'insegnante lolita e maniaca lesbo-chic che si invaghisce di Misaki arrivando ad imporsi su di lei dall'alto del suo metro e un cazzo scarso mi mancava. Che avesse a che fare con Usui credo sia ormai inevitabile. In che modo non ci è dato modo di sapere, potrebbe essere una parente di Usui, ma viste le rivelazioni sulla sua complessa situazione familiare nell'ultimo capitolo del volume forse è più comprensibile se è una passante casuale.

- Credo di non aver mai letto un fumetto in cui quando uno dei protagonisti rivela i segreti del suo misterioso passato ci si ritrova alla fine che si è capito di meno che all'inizio. Eppure Hiro Fujiwara ci riesce. Forse e dico forse qualcosa tra i due si sta muovendo, complice la confusione comprensibile di Misaki nel venire a conoscenza del passato di Usui.

Come non capirla.

### **Penny says**

This manga was interesting enough for me to read, but it didn't really draw me in. Sure it was funny and normal with everyday problems and yes i did download the anime, but i felt like something was missing, maybe it was just me that I'm used to reading other types of manga.

Misaki is a young girl who is called the demon president at school for being so strict especially with boys. But little do they know after school she goes to her part-time job as a maid at a maid cafe. Pretty soon the hottest boy in school so happens upon her in this outfit and starts going there each day. Nevertheless a

relationship is formed going stronger each day between them for he likes this cute side to her. They come upon a lot of difficulties with their relationship, hiding at first then fighting to not be split up..

### **Donnary says**

I'm going to give 4/5 for the artwork which is superb, as always. This volume contains some of the best moments between Misaki and Usui. If you've always been intrigued about Usui's past, This is going to be a big treat for you.

Excited for the next chapter! A trip! haha

Contains Major Spoiler!!

This is my favorite vol. of that manga series! Misaki's finally accepted that she like Usui too. The female teacher's infatuation with Misaki is getting out of hand but at least she's part of the reason why Usui revealed some of his secrets to Misaki! discovering Usui's past is like reading a telenovela :P

### **Leah says**

Oh man!!! I love this series! I'm happy that we finally found out more about Usui. It keeps on getting better and better! Can wait to read the next one! ?

(stejná recenze u každého dílu)

Jsem tak ráda, že jsem si to znova p?e?etla! Tohle je naprosto brilantní dílo! <3 A to je i vid?t na tom, kolik jsem ?asu u této série strávila. A to nejen manga podobn?. Jako anime jsem to snad vid?la milionkrát a ani za tu dobu m? to nikdy neomrzelo. I když mám samoz?ejm? ?ásti, které zase tak úpln? ráda nemám, ale ty by se daly spo?ítat na prstech jedné ruky.

Kresba vypadala ze za?átku úpln? ot?esn?, našt?stí ze to od druhého volumka za?alo zlepšovat a od pátého volumka za?ala vypadat opravdu p?ekrásn?. A hrozn? se mi líbily ty zjednodušené postavi?ky. Ty dokonce vypadaly pom?rn? dob?e již od prvního volumka.

Misaki jsem si hrozn? moc oblíbila. Byla milá, kurážná, chytrá, dokázala p?iznat vlastní chybu, up?ímná ve všech ohledech a hodn? moc silná. A p?itom m?la i n?jaké slabiny, které si um?la p?iznat. Misaki je prost? úžasná. <3 Až na tu slepotu ohledn? lásky. Ale to má snad každá druhá hlavní hrdinka, takže to ani moc nevadí. Taktéž se mi líbila její ob?tavost pro druhé a to, že každého dokázala motivovat a zamýšlet se nad sebou.

Misaki spole?n? s Usuiem byli hrozn? moc sla?ou?ký pár. Hlavn? pozd?ji, když si už Misaky p?iznala své pocity k Usuiovi. Hrozn? se mi líbily ty momenty, kdy se ?ervenal i Usui, to bylo tak sladké. <3

**Trešku** Hodn? m? mrzelo, že se tam neobjevovalo více scén s Igarashim Torou. Scény s ním jsem naprosto milovala a mohla bych je ?ít stále dokola. Ke všemu zbož?uji, když má jakýkoliv charakter ten jeden ostrý zoubek, který je stále vid?t. <3 Vážn? byla škoda, že se n?které události s ním nemohly protáhnout. :( Dalším mým oblíbeným charakterem byl Aoi. Musím ?ít, že jsem ho litovala za to, že s ním hold Misaki nikdy nebudu, chudá?ek malý. Ta jeho láska k ní byla opravdu sladká. Když o tom tak p?emýšlím, tak jsem se skoro po?ád musela culit a nic mi nemohlo zkazit náladu. :D

P?íb?h byl sladký, skv?lý a já si ho prost? užila. Nemám vyložen? nic, co bych tomu mohla vytknout, maximáln? to, že bych cht?la, aby se tam n?které mé oblíbené postavy objevily vícekrát, ale to, že se tam zas tak ?asto neobjevovaly, neubíralo na kvalit? p?íb?hu.

Akorát jsem si prost? nemohla oblíbit všechny postavy, což m? trochu mrzelo. Jako to by mi ani zas tak nevadilo, ale prost? tu bylo až moc postav, ke kterým jsem m?la neutrální vztah.

Obálky vypadají dob?e a hned když se na ni mrknete, tak víte, že na vás rozhodn? ?eká roztomilý p?íb?h.

Endlich ist der nächste Band da!! Und es kommt eine neue Person dazu, die Lehrerin Maria. Sie ist nett und ganz schön eigenartig, doch was führt sie wirklich im Schilde?? Woher kennst sie Usui und in welcher Beziehung stehen die Zwei zueinander?? Sie bringt Misakis Gefühlswelt gehörig durcheinander.

Endlich erfahren wir auch mehr von Usui, wie er als Kind so war und was mit seiner Familie ist. Und es gibt wieder eine ganze niedliche Szene mit Misaki und Usui!! Langsam werde ich süchtig danach. Natürlich hat der fiese Tora seine Finger auch wieder im Spiel. Am Ende gibt es auch noch einen kleinen Hinweis darauf was in Band 11 kommen könnte!!
