Murder at the Mall Franklin W. Dixon

Atac Briefing For Agents Frank And Joe Hardy MISSION: Investigate threats sent by an extremist environmental group -- STEMM -- to the owner of the local mall. These fanatics may resort to drastic measures to protect nearby wetlands. That is, if members of STEMM are really the ones behind the threats.... LOCATION: Eastside Mall. POTENTIAL VICTIMS: Chet, Iola, and other teens who work and hang at the mall. SUSPECTS: The slightly wacky hippie who manages a store at the mall. The seedy night watchman who seems busier guarding secrets than stores About The Author: Franklin W. Dixon is the bestselling author of The Hardy Boys series. Table Of Contents: Table of Contents 1. Every breath was like sucking fire straight into my lungs. I pounded on the door, but it was locked from the outside. Now, I love a good sauna -- most of the time. But 180 degrees ? Give me a break! "Any great ideas?" I asked my brother Frank -- not because he's a year older than I am, but because he has a long history of thinking us out of trouble. We'd been on the trail of a notorious people trafficker -- a really bad, really rich guy. This sleazebag happened to belong to the very exclusive Moscow Health and Fitness Center -- that's Moscow, as in Russia . Working with ATAC (American Teens Against Crime) in partnership with Interpol, Frank and I had followed Mr. Bigski all the way across the Atlantic Ocean and right into this sauna that was about to broil us alive. Since this particular bad guy had made a specialty of smuggling teenagers , Interpol decided that it had to be teenagers -- Frank and me, disguised as bai

nice book

Kelsey Thomson says

Pretty good. Not the best Hardy Boys book out there.. This one was a bit predictable, but if you like Hardy Boys, it is still a quick intresting read.

Christina says

I read this at the request of my 9 year old son who loves The Hardy Boys books, especially the Undercover Brothers series. So it gets a good ranking from me since these books have helped him read more frequently.

I haven't read a Hardy Boys book for a long time, which made me worried about getting too old for them but glad I didn't. Really GREAT book, looking forward for more!

The Hardy Boys have been assigned to a case at the mall; they must figure out who is trying to put it out of business, pave over the marshland and open a new mall exclusively for adults. The narrators voice switches back and forth between Frank and Joe, which can be distracting but lends authenticity to the first person telling of the story. Lots of thrill, a little romance, but not much plot.
