BARGAIN!!!

I got this collection quite a while ago.
When I felt I really deserved a reward, I read another of the books in it.
This is a collection of special books by incredible authors. Any single one of them is excellent. As a collection, they define superlative.
I recommend the collection, and I recommend the authors.
And I commend them for the creation of this splendid anthology.

Barbara says

I thoroughly enjoy boxed sets by different authors. All of the authors in this set, I have either read their books or some were new to me. From Welsh castles and kidnapping, to Regency England, with different perspectives.

Tammy says

Out of all the stories only 4 were any good. I was disappointed in this collection. UNDENIABLE ROGUE by Annette Blair was probably my favorite, I enjoyed it so much that I felt compelled to purchase the next book in that series so I could continue on. I also enjoyed THE BRIDE WORE BLUE by Cheryl Bolen, THE WILD ONE by Danelle Harmon, and ROGUE'S HONOR by Brenda Hiatt.

Kathy Bunbury says

Fabulous collection of books by a bunch of fabulous authors!

I enjoyed this collection and actually took the time to reread several books I had purchased previously! It was a great opportunity to get to know the work of a couple authors that I had not read before and have already purchased a couple of their sequels. I also enjoyed the fact that there were a few different genres and look forward to reading many more novels from these authors.

Val Harmon says

A good collection of Recency Historical romance novels. Some very good, all were entertaining. Rated 5 because of value of purchase price for such good reading.

Judy Lavik says**FANTASTIC!**

Most of the books in this collection are superb. They're worth reading more than once, which is a good thing since I had read several of them before.

Jeanne says**A true rollercoaster ride with all the highs and lows that thrill and elate you!**

This collection is true to its billing-FABULOUS from the FIRST word to the very last! So many different styles - yet ALL so delectable. Thank you for making this collection available, I can't wait to read more by each and every author!
