## **Random Acts of Scrooge** Christy Barritt

*Christmas is supposed to be the most wonderful time of the year, but a real-life Scrooge is threatening to ruin the season's good will.*

*Holly Anna Paladin can't wait to celebrate Christmas with family and friends. She loves everything about the season—celebrating the birth of Jesus, singing carols, and baking Christmas treats, just to name a few. But when a local family needs help, how can she say no?*

*Holly's community has come together to help raise funds to save the home of Greg and Babette Sullivan, but a Bah-Humburgler has snatched the canisters of cash. Holly and her boyfriend, police detective Chase Dexter, team up to catch the Christmas crook.*

*Will they succeed in collecting enough cash to cover the Sullivans' overdue bills? Or will someone succeed in ruining Christmas for all those involved?*

*Fiction/Christian/Mystery*

## **From Reader Review Random Acts of Scrooge for online ebook**

### **Carol Lee says**

I loved seeing what Holly was up to next. She finds herself trying to help out a family that has fallen on hard times and it gets even worse when someone keeps stealing the money that is being collected for them. Holly and her boyfriend Chase find themselves trying to raise more money to replace what was stolen, but also trying to find out who was responsible for the thefts.

This book keeps you guessing who is responsible and what their motive is. It also gives you some side mysteries and dramas to keep you entertained. I would recommend this to anyone who likes a good mystery and it is one that can be read very quickly for those moments you have during the holiday season.

I received a copy of this book from the author to review.

---

### **Ginger Solomon says**

It's a crime to steal, but it's even worse when the money was meant to help those in need. In the fourth book of the Holly Paladin Series, Christy Barritt touches on something that we all have to deal with, not only at Christmas time--the opportunity to be Scrooge-like because those around us are intent on being mean-spirited. This story had a bit more of a relaxed pace than the first three, but I loved it just the same. Holly's heart for helping others is one we all need to have.

I received this book from the author/publisher in exchange for an honest review.

---

### **Doreen Marr says**

Christy Barritt has delivered another fun Christmas novella, this time with Holly and Chase from the Random Acts Series. Holly really wants to give Chase a special family Christmas that he hasn't had before, but first they must solve the mystery of who is stealing donation canisters for a needy family. Sometimes Holly's heart gets ahead of her head and the more she finds out about the needy family, the more she questions if the family really is needy -- or is it a scam on their part? Who is stealing the money? Who is really in need? Will she be able to get back to planning a special Christmas for Chase? Read and find out! Fun, quick read for Christmas or any time of the year!

I received a complimentary copy of this book in exchange for an honest review.

---

### **Sandra Withrow says**

#### **Just okay**

I thought it was okay, not as good as the regular novels in this series. But I will continue to read the rest of the Holly Anna Paladin series.

---

### **Anna Hurtt says**

This was such a cute novella! I picked it up in hopes that it would be something to get me in the holiday spirit, and the latest book in the Holly Anna Paladin series was exactly what I needed!

Holly Anna is one of my favorite of Christy Barritt's characters and this latest story doesn't disappoint. Full of delightful Christmas references, sweet romance, and just enough mystery and intrigue to make you scratch your head, this novella is perfect for the Christmas season. And isn't the cover adorable?

---

### **Wilani Wahl says**

Loved this cozy mystery so much. Fell in love with the characters in the book and want to read all the rest of the books in this series. If you want a quick read that will keep you guessing until the end. this is it.

---

### **Kelly Bridgewater says**

Random Acts of Scrooge is a good lighthearted Christmas book just in time for the holidays. It is nice to return to familiar characters like Holly who thinks of others but something bad always follows her. I had a pretty good idea of who the bad guy was pretty early in the novel, and Barritt proved me right. Pick up this novella and continue learning more about Chase and Holly's growing relationship.

I received a complimentary copy of Random Acts of Scrooge from Christy Barritt in exchange for my honest opinion.

---

### **Wanda Creech says**

#### **Good reading**

Another good read.really enjoyed the suspense. It kept you guessing til the end.hope to have more books like this one

---

### **Jasmine says**

Can Holly save a family's Christmas?

Now if this girl were making a Christmas list a mystery is exactly what she, OK I, would definitely want to ask Santa for. Random Acts Of Scrooge is a great Christmastime novella filled with all of the sparkle and

sugary goodness of the season as well as Holly Anna's trademark penchant for getting into hot water while trying to help people. This story is a great read no matter what time of year, I was reading it on a warm day in late April, and is a great addition to Christy Barritt's fun and exciting Holly Anna Paladin Mystery series. An enjoyable story and the novella length makes it a wonderful way to while away a couple of hours...

(I received a copy of this e-book from the author in exchange for my honest review. All opinions are entirely my own)

### **Debra Hahn says**

#### **Christmas thief**

Some people need a helping hand more than others. Some people are just plain mean. Then there are those who just steal, not caring who they hurt. That's what Holly has to solve in this mystery. People make mistakes and repent for them. But some have no conscience about doing wrong to hurt others. Follow Holly as she tracts down leads and hunches in this who done it. Read it now.

### **Thomas Havens says**

#### **Random acts of scrooge**

This book has an easy to follow plot and interesting characters. I recommend this book to all lovers of Christian, mystery, romance stories.

---

### **Ken Grant says**

My favorite of the series so far. A little shorter so it got to the point quicker. Did a good job of creating a plausible scenario and creating plausible suspects. Characters are more developed than in previous works in the series.

---

### **Kay Defreese says**

This was a quick cozy read. Nobody murdered. Unlike the other books in this series Holly's life was not in danger nor any of her loved ones. She did get caught up in a little mystery. She has such a tender heart for those less fortunate than her. A family desperately needs financial aid at Christmas and when some donations come up missing Holly sets out to find out who is responsible.

---

**Laura says**

RANDOM ACTS OF SCROOGE is a lighthearted Christmassy - do good - sort of story. Holly is reaching out to help someone who is down and out by solving who is stealing their money that they need to pay their bills after a car accident. There are a lot of red-herrings in it to keep the reader guessing, but I did have a good idea who was behind it early on - and I was right.

I love Ms. Barritt's cozy mysteries, and this holiday romance ranks right up there with the rest. If you are looking for a quick and good read this Christmas season, you'll want to read RANDOM ACTS OF SCROOGE. 5 stars.

Other books in this collection include Random Acts of Murder, Random Acts of Deceit, and Random Acts of Violence.

---

**Deborah Adkins says**

Fun holiday read that kept me focused on solving mystery.
