**The Virgin's Baby** Michelle Love

**Having a stranger's baby wasn't a thing I'd ever dreamt of doing...**

As a busy college student, I didn't have time for the opposite sex.

The center of my world was my approaching career.

Until he came along.

Stimulating. Virile. Obsessive.

I was supposed to have his baby and nothing more.

Only, he wanted much more than I could give.

His slightest touch turned me into a puddle of melting flesh.

If I allowed it, he would own me—body and soul.

*I would give him his heir, but never my heart.*

"**The Virgin's Baby**" is a full-length romance novel with a happily ever after, no cliffhangers, no cheating and plenty of steamy scenes, plus it also includes a sneak peek of "**The Virgin's Dance**".

Never miss a chance to have some fun and enjoy this Kindle melting book.

## **From Reader Review The Virgin's Baby for online ebook**

### **Margaret McGovern says**

Excellent contemporary billionaire romance with babies included. Ransom has been off partying with his best buds o a beach. They were celebrating when he received a call that his grandfather was extremely I'll so he headed home. Upon arriving he's given life changing news about and from his grandfather. Aspen is hoping to finish her Masters Degree but realizes she has no money and that her part time boss was letting everyone go. Suddenly, and sees a note on a bulletin board at school. Ransom needs a surrogate to have his baby in order to meet a stipulation on Ransom's grandfather's will that he has to have an heir. Then the fun begins. This book has unexpected elements such as: sadness, laughter, misunderstandings and romance. I received a complementary copy of this book via Ebook Itch and chose to write a review. I look forward to reading future books by Ms. Love.

---

### **Renata Gill says**

The Virgin's Baby is the 2nd standalone novel in the Sons of Sin series by Michelle Love, a well written fast paced romance with Aspen and Ransom's POV's.

On his 30th birthday Ransom, a bad boy that's spent his time partying and sleeping with women all over the world, is told by his grandfather that he needs to have a heir before he dies or he will be left out of the will with nothing to his name.

Low on funds, unemployed and in her last semester of college Aspen applies to an ad that's looking for a surrogate.

The attraction is instant between the two but Ransom can't bring himself to love Aspen as he believes that all beautiful women are gold diggers. How do you make a flawed man believe in love?

### **Space Cowgirl says**

#### **You Can't Fight Love**

Filthy rich and idle stud muffin??? needs a surrogate mother to have his baby?. No strings attached, he just needs the baby? to claim his inheritance.

?Love never goes as planned, especially when there's a baby? involved.

Ransom??? just turned thirty. Then he finds out his cancer stricken grandfather wants a great grandbaby? before he dies and Ransom??? won't be inheriting without it!. So playboy Ransom??? thinks he can hire a surrogate mother.

Aspen??, the financially strapped young woman, will live with him at the mansion, have his baby?, help him raise it and all the while, stay emotionally detached. For years! What planet? did he come from?

So you can visualize how his sterile ready made baby? fiasco is going to go down. It's a lot of fun, tears, and heartache? along the way to finding true ?love.

ARC Received for a Voluntary and Honest Review.

I also got the book? with KU.

---

### **Tracy says**

First book in series was way better. Everyone writes about virgins when it's unrelated \*eyeroll\*

---

### **Shar says**

This doesn't even deserve a star tbh and here is why :

There was so many things wrong from the beginning.

First Ransom. What kind of fucking name is that?

Second. Ransom is as spoiled as any rich petty IMMATURE bachelor they can get. He cares about his physical appearance and isn't worried about being thirty with no prospect whatsoever. Yea he's rich. Which brings me to the next few lines I read.

"It got him thinking about his accomplishments" there was a long paragraph full of nothing!!!!!! Oh my god. Down to high school where he literally said he graduated from the skin of his teeth. Whatever the fuck that means! Lmao!!! He didn't care about his grades? He boasted. Girls were his focus, he said! He cared about how HARD his puberty hit him and it hit him hard. Talk about SHALLOW AS FUCK! Oh god! I thought he'd have more accomplishments to add like business acquisitions or work achievements but nothing! Lol he didn't make anyone proud.

Third thing in the first few pages of the book! Actually it was the second and it ticked me off so bad!!!! "In my twenties, I began to refine my tastes ... blah blah.. I liked my girls on the lower end of the scale. Anywhere from a two to a five made my dick hard. Blah blah... I liked to live life free as a bird. ."

You're fucktard, Ransom. You stupid fucktard. So he likes fat girls on the scale. His friends like a 10 and it's a win win because his friends wouldn't give the girls Ransom likes the time of day. Ugh. This is ridiculous and utterly degrading!

Ransom is spoiled and uneducated. Literally. He "found a loophole" in his grandfather's stipulations to get his inheritance. He got the degree but it never said anything about a damn job so he took the card and just went on endless vacations. So fucking spoiled so fucking ungrateful! After everything that grandfather did! Raising Ransom when his parents died. He's talking to his sick grandfather like he can't believe his grandfather doesn't understand why he doesn't want to put down roots. Why all he wanna do is have fun. He's so immature I can't.

To the author. I don't know what drugs you took when writing this or how drunk you are, but this is shit and I don't understand why it's published. I'm really sorry for being mean and cursing but this is ridiculous!!! Have some dignity woman! Actually HAVE SOME CLASS. take a page out of some other author because lady you ain't cutting it!

---

### **Louise Norton says**

A great story by Michelle. Her characters pull you in and keep you reading till the end. It has sadness, happiness and romance with misunderstandings along the way for Aspen and Ransom.

Aspen has lost everything and shes run out of money to continue her degree. Ransom has to have an heir in order to receive his inheritance but hes a playboy at heart, so he decides he needs a Surrogate to have his heir. Aspen applies to be Ransoms surrogate only while there on the journey together things change and Ransom wants more than originally agreed. Will the playboy get everything he wants, and will Aspen be able to let her baby go and finish her degree.

I received a free copy of this book via Booksprout and am voluntarily leaving a review.

### **Jennifer says**

Absolutely my favorite Michelle Love novel to date. Michelle storylines are always seamless. She is a very talented author, no matter which of her stories you choose.

Aspen has had a really rough deal in life. But she has always found a way to make it through. This time though she will need a little help. And that comes in the form of a man named Ransom Whitaker. He is a total player and does not want to settle down. But that might just be taken out of his hands.

Together these characters have incredible chemistry, but they both do not want to acknowledge it. This is an amazing relationship journey and a very interesting read.

### **Holly Bargo says**

#### **Meh**

Mary Sue heroine meets weak cad for the purpose of making a baby in response to blackmail. Improbable scenario gets worse when our heroine encounters a financial aid office unwilling to extend aid AND she loses her minimum wage job. At least her best friend isn't an enemy in disguise. The cad's grandfather blackmails our hero who will do anything to keep his grubby hands on the family's filthy lucre, except work. There's character growth, especially on the cad's part, which is nice to see. But too much of the story fails to suspend disbelief. The author has potential and a need for an editor to help with punctuation and grammar errors, to tighten up the narrative, and make helpful suggestions to keep the story from derailing.

---

### **Reva Parks says**

Another great book by Love! Ransom Whitaker has his degree in Petroleum Engineering fromm Texas Tech in Lubbock but now turning 30 he has never worked a day in his life vacationing with other rich young men at different resorts around the world. He gets a call from his grandfather's PA to come back to his grandfather who reared him since the death of his parents when he was 15. When he returns to Lubbock, he finds his grandfather on his last leg fighting lung cancer. His grandfather tells him he has changed his will to give his

billions to charity unless Ransom has an heir before he dies. Aspen is a young coed at TT in Lubbock who only lacks one more semester to finish her Master's degree in Petroleum Engineering whose father who reared her as a single parent was killed in an oil field explosion and over the last semester both her car and her father's truck has been repossessed along with the furniture and the home she lived in. She now shares an apartment with a coworker at Dairy Queen. It is May and she finds herself and her coworker laid off and that she does not qualify for student aid or have anybody to sign with her for a loan. That is when she begins to make inquiries about being a surrogate mother for Ransom. The Virgin's Baby tells the story that will keep you turning pages as Ransom changes his playboy ways slowly sharing his secrets with Aspen as she moves in with him and his grandfather. The three of them each have separate and hard lessons to learn before they can become a loving family.

---

### **Lisa Jolly says**

I received this book free from Booksprout and I am volunteering to leave this review.

This is the 2nd book of The Sons of Sin Series and can be read as a stand alone book.

Aspen is a struggling financially Petroleum Engineering student, her mother walked out on her when she was a 1yo and her father has recently died. She has just lost her job and doesn't have the money for her last semester of her degree. Ransom is a 30 year old playboy, he is summoned home when his grandfather is losing his health to cancer. He has also lost his both parents as well. His grandfather changes his will, his money will go to charity if he doesn't produce an heir. He advertises for a surrogate, Aspen applies. She is at first torn about giving up a child, but she needs to worry about falling in love with Ransom.

---

### **Merry Jelks-Emmanuel says**

I loved this story. It touched my heart on so many levels. Ransom is a tortured soul who doesn't believe in love. He is a womanizer who tosses women once he has conquered them. When his grandfather gets sick he is summoned and told he has to have a child or be taken out of the will. He agrees to a surrogacy and he meets Aspen. She is not what he expects and is attracted to her. He can't get over the chemistry and the sparks send him over the top. As things progress his feelings for her begin to shift. Ransom is feeling things he doesn't want to and it may be the beginning of his downfall. I received a free copy of this book via Booksprout and am voluntarily leaving a review.

### **Paula says**

[ because he saw his mother screw other men when he was a child and it messed him up the poor baby.)  
(hide spoiler)]

---

## **Sharlie says**

Ransom Whitaker is a playboy who finds himself needing to have a heir before his Grandfather Lucius dies. If Ransom doesn't then he loses all the wealth he has been use to. Aspen is in need of money to finish her last semester of her master's program. She answers Ransom's surrogate wanted ad and finds herself in an uphill battle to get Ransom to love her. Ransom and Aspen also find themselves in a battle with Lucius as he threatened to change the will again if they don't marry. How can there be three winners in "The Virgin's Baby" by Michelle Love new book? Loved how Aspen is written to be a strong woman and won't compromise the love that she wants.??♥

---

## **Modern says**

The Virgin's Baby is the tug-o-war story between Aspen and Ransom and in an odd way, Lucius too. Single and not wanting to be serious about adulthood, Ransom is told by his ill grandfather that he has to find someone and have a child, an heir, before grandfather passes. It enters a desperate Aspen, a college student on the brink of finishing but is broke.

Needless to say, there were definite sparks when these two meet, but they're damped down by sheer will. The story is overall sweet. Some aspects I find a little questionable, like the decision skills of the characters. I swear Margo is the only one with her head on straight. But otherwise, this was an entertaining story. I received this book for a voluntary, completely honest and non incentivized review.

---

## **Catlou says**

Ransom Whitaker is faced with an ultimatum, have an heir before his grandfather dies or lose his inheritance. Aspen Dell is all alone, has lost everything she held dear and has now lost her job. How is she going to be able to pay for her final semester of graduate school? Although Ransom does not trust in relationships, he knows Aspen will be a perfect mother for his child. Aspen is desperate enough to accept Ransom's offer, but can she accept the fact the Ransom will never love her the way she wants him to? Can Ransom find it in him to overcome his fears and preconceived ideas about love to accept Aspen and his babies into his heart before he loses them all? Their journey to become a family may be a bumpy ride, but it is one you will be glad you took with them.

This is a delightful romance with its ups and downs. The story is fast paced, appealing, and the characters are well written, strong, interesting, and easy to empathize with. The narrative flows easily, changing POV's between the H & h. You will find it hard to put down. I strongly recommend this as a very enjoyable read!

I am voluntarily providing an honest, unbiased review of an ARC of this book. I also purchased a copy of this book.
