The third part is the most thrilling one. A lot of questions from the previous parts are answered and a lot of new questions appear. It is a page turner as it's finest. Any problems with cliffhangers? Then this is not for you! Or you do it like I did: waiting till the 4th part is released! Excellent stuff! I really love Lilly M. Love!

OMG. This storyline just gets better and better. The twists and turns-you just don't know what to expect. I love a good thriller-and this one delivers. I am looking forward to the next in the series: Queen of the Dark. According to the author's website, it should be out soon. <http://lillymlove.com/>
