## Who's Notorious Now? Kiki Swinson

Criminal defense attorney Yoshi Lomax finds herself on the other side of the bars in the third book of the riveting *Notorious* series.

While Yoshi tries to prepare herself to face the music once she's extradited back to Miami, the ordeal she encounters en route is more than she could have anticipated. Knowing deep down in her heart that she isn't equipped to handle all of this strife, she has no other alternative but to play the game to save herself.

Now, with a new male companion at her side, Yoshi's ride-or-die feelings for her man begin to diminish. But Yoshi's new man is also in trouble with the law, and their chances of having a happy ending together reduce to zero.

Once again, Yoshi finds herself in yet another dilemma, where bodies are surfacing and drama seems to be the only thing on the menu. Amid all this turmoil, Yoshi is confronted with the question of which side of the law she has to be on in order to stay alive.

# From Reader Review Who's Notorious Now? for online ebook

## Queen Readers says

It was a good read all though Yoshi pissed me off a few times but it was good I enjoyed it a lot

---

## Delonya says

Out of the frying pan and into the fire...

Yoshi Lomax is in hot water having been arrested for the murder of a federal agent. Her status as an attorney only gives her a better understanding of exactly how much time she's currently facing. However by novel's end the murder case is going to be the least of her problems. Yoshi finds herself in several precarious situations being subjected to all types of depravity. Having not read the previous books in the series Playing Dirty and Notorious I was unable to determine if Yoshi was the innocent victim that she portrayed herself to be or was karma for some past transgressions rearing its ugly head?

Author Kiki Swinson provided enough information whereas readers like myself could still follow along without having read the prior books. Background information was relayed without any tedious rehashing of books one or two. A common pitfall that some authors make when penning sequels. The only issue that I found was the ending was too ambiguous leaving a major issue unresolved. That ambiguity makes it unclear if a sequel is forthcoming or if this is in fact the final installment. All things withstanding Murder Was The Case is an action filled novel easily recommendable to readers of Playing Dirty and Notorious.

Final Rating 3.5 Stars

## Tameka Jones says

Could not put this book down!!!

---

## Tynika says

This was the best book out of the trilogy!! I couldn't put this book down it's filled with action from the beginning to the end!! The ending left me speechless...I hope that's not how yoshi goes out after all she's been through, I hope there will be a part 4 to this story!!

---

**Nichelle Askew says**

Another winner by Kiki. Jus hated it had to end that way

---

**Gina Harris says**

I could not put this book down! It was riveting from cover to cover! Poor Yoshi!!! I read it in one day!!!

---

**Monique says**

I've never read anything like this before...the violence, sexual abuse, and drama was on crack. There was always something going on just a little too over-the-top. Yoshi was a lawyer that got caught upon the wrong side of the law. Then she was included in a break out, murder and so much more. Just when you think she will make it out some more crap happens.

A strong parental guidance, extreme sadistic sexual warning along with the regular urban lit advisory should be prominently place on this book. Even though the descriptions were disturbing I couldn't stop reading. Fast paced and easily keep my attention. However, this is NOT a book for the faint of heart as this read is straight up gangsta to the tenth power. Reader beware.

**Lashante Laster says**

Please help I just installed this app and I can add books to my shelf but I can't read them someone please help me out!!!!!!

---

**Tiarra says**

Yoshi couldn't catch a break for nothing first she gets framed for killing her best friend then she gets kidnapped by Lamar and sold to be a sex slave got shot then rescued only for her to die anyway i wish the story would have had a happy ending tho

---

**LaToya says**

Very surprised at the end....

---

**Kim Broadnax says**

The book wasn't what I expected.

---

**Victor says**

The ending was too abrupt fdlr

---

**Dee Cherry says**

This was the final book of the Notorious series & it was very shocking to say the least. Yoshi's situation went from unimaginable to unbelievable after she left the Virginia prison with the US Marshalls. Already in trouble with authorities, her situation continued to go downhill with each passing moment. From fugitive to sex slave she experienced acts that one could not imagine even in their worst nightmare. In the end, the person she feared the most made good on his promise.

---

**ConSonia says**

This book was a great ACTION PACKED MOVIE.. Hate that it had to end and I wanted a different ending but thats KiKi for ya..

---

**Angel says**

This book pissed me off the stuff men did to Yoshi was very degrading the ending was crap I wanted more

---
