Quick thoughts: The exploration of the newest power and the surrounding mystery was great, even if the middle part was a little odd/forced. And another of my favorite characters is introduced. Best volume yet.

Luke Reynolds says

Another entertaining volume! I always love the shenanigans the gang gets into, especially the whole thing about stopping the future from happening. Can't wait to see where Noa's arc goes next volume!

Meiner Meinung nach ist dies der spannendste Teil der Reihe bis jetzt, da Ryu und seine Freunde diesmal die Zukunft verhindern müssen. Die Hexe Maria hat man schon Ende des vierten Teils kennen gelernt und neben Urara gefällt sie mir am Besten. Die Beiden sind bis jetzt meine Lieblingscharaktere und ich finde auch, dass sie eine coole Hexenkraft haben. Der wer würde nicht gerne den Körper mit anderen tauschen wollen oder in die Zukunft sehen.

Auf jeden Fall hab ich diesen Teil wieder in einem Rutsch durchgelesen, weil ich einfach wissen musste wie es weiter geht und ob der Club für paranormale Phänomene es schafft die Zukunft zu verändern.

Was ich auch super fand, ist, dass Urara und Ryu sich etwas näher gekommen sind, auch wenn sie so verschieden sind. Ich bin auf jeden Fall gespannt wie es im sechsten Teil weiter geht, denn am Ende hatte man schon eine kleine Vorschau auf den nächsten Teil und man weiß auch schon wer die nächste Hexe ist.

Ich gebe diesem Teil 4 von 5 möglichen Sternen, da mir für fünf Sterne das gewisse Etwas gefehlt hat.

This manga is just hilarious! Rooting for Yamada and Shiraishi?

This series is just so much fun, so much more than I thought it would be.

The gang has to figure out how to stop the fire in this volume. As they're figuring out how the visions work and how to change them, they have to find out who starts the fire and how to stop them. This turns into a lot

of body changing and kissing and a love confession to Shiraishi. I do find it nice that, to make it well-rounded, now girls are kissing girls along with guys kissing guys, when few of them appear to like each other in that way. I find all the sexual antics rather hilarious at this point.

After that debacle, we move on to meeting some new characters, including a possible witch. Should be fun.

Ammetto che la trama comincia a confondermi un po' e non sempre sono in grado di seguire tutte le evoluzioni che l'autrice inserisce. E per fortuna che poi lei le spiega. Forse 7 streghe sono un po' tante da gestire in maniera efficace...

E poi non riesco a capire perché Odagiri mostri sempre la sua biancheria. Sì, OK, piccoli puritani crescono.

Però, sì, il manga continua ad essere demenziale al punto giusto.

Technically, I have one more chapter before I'm done with this chapter and they will meet another "witch" a freshmen that is causing trouble. I have a gut feeling the student council president knows a lot of info about Yamada's situation.

This volume was incredibly interesting because "Maria" I'm not sure if that's her name. She can see a little bit of what's going to happen in the future. And she stop coming to school because she saw the old school building will be on fire and she'll be blamed for it. It was really fun reading through chapter by chapter anticipating who would be the arsonist. It was never clarify who it was but they stop the culprit somehow

C'est vraiment l'une des séries les plus fun que je suis. Super drôle mais au scénario bien fichu. J'aime j'aime. Surtout que quelque chose commence à évoluer entre deux personnages...

Steven Romero says

Most intense volume so far. A new guy character appears this time, Tsubaki Kentarou another key character on Futuritic Arc aside from Sarushima Maria. At the last chapters of this volume, school festival is approaching and Supernatural Studies Club decided to create a yakisoba bread shop and talked to the student council president about this. It was revealed that the student council is aware of the witch hunting activities of the club. He told them that he would allow the club to create a yakisoba bread shop in one condition: Yamada and the club should deal with a group of troublemakers among the freshmen which was lead by a witch.

Best part of the arc, akhirnya Noa muncul.
