I'm a huge fan of young Miss Hollisters. I have all of these books & think they should be on everyone's book list that loves the old west & inspirational reading. A+ all the way!!!!!!!

Chris Jarvis says

This book was slow to get moving and didn't seem to get too exciting until almost three quarters of the way through it. Sometimes it was even predictable. Still, I'm looking forward to completing the series and will start book 4 later today.

Enjoyed the third book of "The Journals of Corrie Belle Hollister". I have to say it is refreshing to read a book without flagrant use of profanity. Corrie continues her growth into adulthood, and as a daughter of God. She learns a life of truth is so important.

Anne says

Another great book by Michael Philips. This is the 3rd book in the series and this series is an older series but I am loving it.

Penny says

Exciting, thrilling, amazing.

This good book continues to follow Corrie Belle Hollister through life. In this book she learns being truthful in all she does and how to take care of herself as she becomes an adult.
