**The I Ching or Book of Changes** Hellmut Wilhelm (Editor) , Richard Wilhelm (Translator) , Cary F. Baynes (Translator) , C.G. Jung (Foreword)

The *I Ching*, or Book of Changes, a common source for both Confucianist and Taoist philosophy, is one of the first efforts of the human mind to place itself within the universe. It has exerted a living influence in China for 3,000 years, and interest in it has been rapidly spreading in the West.

## **From Reader Review The I Ching or Book of Changes for online ebook**

### **Alex says**

I've read a few other books on the I Ching, but this is the most complete and the most scholarly. It's chock-full of not only philosophy but also practical insight. I've also used it in developing plot in my fiction. (I first discovered the I Ching through The Man in the High Castle.)

---

### **Strong Extraordinary Dreams says**

Haven't read all of this, only the parts as required

---

### **Ivan Possamai says**

I am studying this book for almost 20 years now...

Probably I will still be studying it when I turn 99 !!!
