**The Queen's Smuggler** Dave Jackson , Neta Jackson , Julian Jackson (Illustrator)

Sarah Poyntz is the daughter of an English merchant who operates a shipping business from Antwerp, Belgium, in 1535. Her father is very interested in the ideas of William Tyndale, who has fled England as a condemned outlaw for refusing to stop his translation work of the English Bible. Tyndale believes that the Word of God should be read by the common people in their own language, a belief shared by the Poyntz family.

But when Tyndale is captured and imprisoned, Sarah becomes the only hope for saving his life. If she can successfully smuggle a copy of Tyndale's New Testament into the hands of the king's wife, Queen Anne, perhaps she can persuade him to save Tyndale's life.

If Sarah's desperate mission fails, her family is in peril of their lives.

**Will she have the courage to go through with it? Can Tyndale's life be spared?**

## **From Reader Review The Queen's Smuggler for online ebook**

### **Dan Meew says**

William Tyndale is a translator for Bibles in 1535 England, this however is illegal, so he gets caught. Sarah Poyntz, the main character, has to save his life and work by smuggling a copy of the New Testament to the Queen and hopefully save his life.

---

### **Jade says**

I found this kind of boring to read. It didn't draw me into the story. It could have been better.

---

### **Anna says**

Historical fiction set in the time of Henry VIII, Anne Boleyn, and William Tyndale's translation of the Bible. A good read for upper elementary ages trying to learn more about the covert translation of the Bible and the life in those times.

---

### **Rachel says**

Historical fiction around the time of William Tyndale.

---

### **Nikki Wilson says**

A good young persons novel that serves as a testament to William Tyndale and his struggle and perseverance to gifting the people the English translation of the Bible. The story is based on a true story but is told in a format that allows a young person to become more involved in the story.

---

### **Jaedyn Bond says**

A good book about William Tyndale through the eyes of a thirteen-year-old girl.

---

### **Caleb says**

I found this story about William Tyndale to very good and interesting with all the facts about his life written in story form by the authors.

I enjoy reading this series and this is one my favorite one that I have read so far. I think that the authors did very well with making the story of Sarah and her family being able to help William Tyndale with his work of writing the New Testament in English really come to life for the readers.

---

### **Lisa Blair says**

An insightful story about William Tyndale's translation of the Bible into the common man's language of English.

---

### **Abigail Mitchell says**

This is a great series to teach History especially people who don't like it, it helps to make a interesting story and include facts.

I am an exception since I LOVE history, its my favorite subject in school.

---

### **John Yelverton says**

Great children's historical fiction book with a Christian message to boot.

---

### **Jessica says**

See the first chronological book in the series (Spy for the Night Rider) for a full review.

---

### **Megan says**

A wonderful story. The history in it is so cool.

---

### **Luisa Knight says**

I have fond memories of my mom reading these books to us over lunch. And we'd beg her to keep going when lunch was over too, because we just had to know what happened! Well told, engaging, adventuresome and you learn about a famous Christian in history.

Ages: 7+

\*\*Like my reviews? I also have hundreds of detailed reports that I offer too. These reports give a complete break-down of everything in the book, so you'll know just how clean it is or isn't. I also have Clean Guides

(downloadable PDFs) which enable you to clean up your book before reading it!
