Her Stepbrother's Defiance Meg Watson
Box Set of the best-selling 3-book serial!

"His sole motivation is to find the one thing you are most afraid of, the thing you swore you would never, ever do. And then he talks you into doing it over and over until you hate yourself."

Her whole life, Camille has been haunted by emotions and desires that she can't explain, but she knows they are wrong. But while Camille thought she was cleverly suppressing her feelings behind work and school, William witnessed all of it.

Son of a billionaire legacy and bred to a life of excess and pleasure, William doesn't have the same willingness to resist temptation. In fact, he embraces every desire... no matter how dark.

And now it's time, he thinks, to see just how far Camille is really willing to go. All she needs is a little push... Their love will tear their worlds apart, but it cannot be denied!

***This dark, erotic romance is not intended for readers under 18. contains mature themes including taboo love, light bdsm and spanking. ***

Carol Miller says

This was quite different than other stepbrother books. Cami's mom married William's wealthy dad. Her mom always told her not to expect any of the money. She had to make her own way. She says felt like an outcast of sorts. She always wanted William but tried to stay away cuz he seemed to know it with his smirks. Many people commented to her that he is an assailed, even been called a monster. She just couldn't see it. One night she gets into something club because of him. He sees her dancing by herself but just walks away without a word. Confused, she follows him thru the back halls. She thought she lost him. When she turned around he was there. He backs her up to a wall, touches and talks to her seductively. Tells her he knows she always wanted him. Cami's not sure what's gonna happen after that night so she plays by ear. William starts to put them in work situations where they'll be together. Their parents somehow find out and ship her off to Seattle. But that doesn't seem to be enough so they want to send William to Singapore, indefinitely.

This is the back of the story. The writing is good. The characters are written so well that I felt that they apart of them. I truly felt what they did, like I was right there. I laughed, got angry and cried.

I highly recommend this series!

Excellent

This was a great series!! Great characters and storyline! William is portrayed by everyone as a bad guy but Camilla is so crazy for him that she didn't listen.....
