Revenge against God is what Satan wants. What he desires--aside from tormenting human souls in the flames of hell for all eternity, of course. But before Satan and his hordes' rapidly receding time in this fallen world ends, the monsters of hell know they must work quickly to turn mankind against God. Spread hate, anger, jealousy, lies, lust and final death is their vicious motto. But try is all they can do--for God so loved the world He gave His only begotten Son, that whoever believeth in Him, shall not perish to hell, but have everlasting life in Heaven. Daily, minutely, hourly, powerful angels fight to help three best friends ward off a lurking evil that will do anything to destroy them...along with each and every living person.

### **David says**

I enjoyed Hidden Battles. I found the concept of angels and demons literally battling all around us very intriguing! I also enjoyed that much of the story was about the bonding and relationships amongst men, and some of the real challenges that we face. A good read! I recommend it.

I adored the main characters, particularly the three guys (in their twenties), who all face different challenges. I found myself rooting for Alex and Jennifer the most, but all three couples felt meant to be.

HB was very touching. And in the end, I am happy to report that...
