## **Merry Christmas, Baby** Alexandria House

Having to work on Christmas Eve is bad. Having to work the graveyard shift on Christmas Eve is worse. Having to work the graveyard shift on Christmas Eve when your life is a mess? Well, that's some BS. There doesn't seem to be a Merry Christmas in store for Sunday Marks, but maybe one call can change that.

\*\*\*This short story contains profanity and sexual content. If you do not like those elements in your romantic reads, this is not the story for you\*\*\*

## **From Reader Review Merry Christmas, Baby for online ebook**

### **Nikki Lajoy (Kolored Rayn Reads) says**

I really loved this Christmas story it had everything I wanted. Sunday basically wasn't too happy that she had to work on Christmas eve. And on top of that mad that a guy who she really loved and supported (Justin) had Sunday feeling like she didn't matter. Justin went out his way to not only prove he will always be there for Sunday and love her through it all, it ended in a very happy way.

Alexandria House is great with the pen! I now want to read her other series she has out. I loved how easy and effortlessly the story flowed together just for it simply being a novella. This is something I'll definitely re-read again. Very sexy and romantic love story!

---

### **Marq(ReadingRomanceinColor) says**

Merry Christmas, Baby is a sexy short story that takes place on Christmas Eve. Sunday has to work on Christmas Eve but what's worse is that her relationship with her long-time boyfriend, Justin, is on the rocks. All of that changes with one phone call.

I really enjoyed Justin and Sunday. Justin was trying to get back in Sunday's good graces and Sunday wasn't having it. The push and pull between the two was realistic of people who've been together for awhile and the communication lapses and one half of the couple starts making assumptions. Even though this is a short story, the author did a great job of giving the readers a glimpse into Justin and Sunday's past and relationship. The author manages to include some sexy times and romance.

I wasn't ready for Merry Christmas, Baby to end and I hope that the author revisits Justin and Sunday again. They're a great couple and I enjoyed their story a lot.

### **A. Johnson says**

**So cute!!!!**

Omg! This story was so incredibly cute. I found myself smiling every time Sunday and Justin talked or were in the room together. It was surely a Merry Christmas, Baby, indeed. Great read!

---

### **Enecia says**

**Cute**

This was a cute short story and fun read. Ms. House always gives us just enough of everything to make a great story!

---

**Shannon says**

Short and sweet

---

**Mia Morgan says****Wonderful**

This was short and so sweet. I enjoyed this Christmas story. Good read, Alexander House. See what's next on the list.

---

**Vernell Howard says**

?

What a great start for the New Year! Thinking that your love life is over because your feeling neglected and frustrated. Then finding out that there were plans set in motion to be with you not just on Christmas and New Years but everyday of your lives. This was sensual, nice and full of a little voyerism. Great Read! What A Night!

---

**Britt Joni says****Finding love in a hopeless place**

Justin & Sunday story was a refreshing read. It tells a story of a love that needs to be restored. I loved that Justin laid down the law & brought a smile to Sunday's Christmas morning ?

---

**Korei Mullins says****Short and Sweet**

This was a good holiday short that took a bad day and turned it into a memorable and joyous one. So glad that Justin not only stepped up but finally conveyed his feelings and intentions--it seemed that Sunday was overdue for a break and a breakthrough.

**Teresa Mcmillian says**

## **Christmas Memories**

I knew I was going to like this story when I saw that it was happening in my home state of Mississippi. My only complaint was that it came and went too fast. I want more!

---

### **Carolyn J. says**

**Merry Uuumh, Oooh, that was good!**

Okay, ummh this was a very good short, sweet Christmas love story. I need Justin to visit my office and break me off a little Holiday Cheer. Sunday left her receptionist sight happy and bright. Loved it. You'll need to get your own....

---

### **Mary says**

A very good holiday read. Naughty and nice.

---

### **Malaika says**

**Sweet story!**

Alexandria House has become on of my favs. She has done it again with this sweet short story. Great read!

---

### **Re says**

**Cute**

This was a cute short. I'm glad Justin had a plan in motion, I was a little nervous. Sunday was not having it??. Black Love ??

---

### **The Book Junkie Reads . . . says**

**Cute shirt and stillngave a strong sista**

Sunday was not in a sunny disposition in this Christmas eve. She always stuck working the graveyard shift alone. She missed her man or was he. She had no heat in the winter. And did not like her job.

Justin was in the dog house but he knew how to make up for it.

A quickie from Alexandria brought the goods. MERRY CHRISTMAS Sunday and Justin and

congratulations.
