No recomiendo este libro en lo más mínimo; aunque las descripciones dentro de la narrativa me parecieron muy buenas.

Este libro es perfecto para inspirar la creación de una telenovela. El drama aquí es insuperable e insoportable también.

En la trama del libro se tiene la mala costumbre de saltar de un período de tiempo al otro, y lo hace tan amenudo que es imposible engancharse con la historia. El final fue lastimosamente apresurado, como si se quisiese salir del paso. Y los personajes principales son terriblemente incoherentes. Este es el tipo de novela -casi telenovela- que se lee porque es, por poco, mejor que morir de aburrimiento.

Tom Courtney says

One of the first book I read in the 80s today it would be considered erotica for the amount of sex there is in and the descriptions.

Monica Lauer says

The surprise double incest thing was a bit over the top. Trashy novel that I kept when my mom died. just reading stuff to clear the shelves before moving

Flurbert says

Every smutty, fantastic cliché made better. Really fun.

J says

I'm interested in the culture and social dynamics of Palm Beach, but I had to quit this book after the first chapter. Graphic descriptions of sexual encounters and body parts - it felt smutty.

Pat Booth, PB-B @ 1986, 7/87. An irreverent look at Palm Beach. Uck! Hated it.

Palm Beach oli aikanaan ensimmäinen lukemani tämän tyylilajin kirja, joskus vajaat 10 vuotta sitten siis, teininä. Sisältää kauniita naisia, komeita miehiä, rahaa, rakkautta, vihaa ja seksiä. Ja plajon. Yleensä tällaisissa kirjoissa on myös katala salaisuus, eikä tämä kirja ole poikkeus. Salaisuus paljastuu kokonaisuudessaan tosin vasta viimeisillä sivuilla. Ei mikään erikoinen kirja, mutta omassa lajissaan keskinkertainen. On paljon parempia mutta myös paljon huonompia samalla kaavalla kirjoitettuja kirjoja.

Sandy Sandmeyer says

A very good book about really screwed up people. I'm so glad I wasn't born into money or let it rule my life.

Becky says

This is the best trashy novel I've ever read. It was exactly what I needed to get me through a really difficult month. Three generations of power, politics, love, sex, and vengeance? Oh man. Why did nobody tell me they write books that are like telenovelas? It was also a fascinating sociological window into Palm Beach, where I spent the first weekend in March, with insights into this world of extremely concentrated, segregated wealth I wouldn't have been able to find otherwise.

Knocking off a star because the writing wasn't great. You can't put "uncomfortable" and "comfortable" in the same sentence. Also, I lost track of the number of times the author referred to someone's breasts as "conical." And the book categorized characters very specifically according to "beautiful" or "not beautiful" in a way that felt unhealthy even to read about.

However. I enjoyed this book. I would recommend it to anyone looking for an escapist trashy novel.

Wendy Massagee says

This is an oldie but my all time favorite trash- lay by the pool and indulge books!! Its' just fun. If you ever liked watching Dynasty or Dallas you will love this book!

Kim says

I read this every summer. It's a fun beach or vacation read. Twisted, dysfunctional lives.
