Harshit Gupta says

In the first half it was getting boring but once the story began to move, it was quite something, especially
towards the end.

Swati Kundra says

A very intricate story depicting complex human behavior. The different shades of characters are well revealed in a given situation. The different perceptions and understanding of 'Dharma' by individuals are well articulated and debated....at the end actions speak louder than the words..

Vidya Bhushan says

Written on love triangle . It's gorgeous . Who love tragedy & lovestory , for them it is a ' must read' . i love this novel
