Stony Creek Hero Taylor Berke

[Siren Classic: Erotic Consensual BDSM Romance, public exhibition, spanking, HEA]

The feisty, fiercely independent Lizzie Carmichael never had any men that she could rely on. As the sole owner of The Stony Creek Café, she finds herself in a desperate situation where she stands to lose either her honor or everything that she has ever worked for.

Known as the tough, quiet brother, Benjamin Powell adores women but strives to keep them at arm's length, never risking his heart. When he finds that the only woman who ever inspired him to dream is in trouble, he makes a choice that could change both their lives, forever.

Lurking in the shadows of Stony Creek, there is a dangerous menace that will stop at nothing to get what it wants, no matter what the costs.

As Ben and Lizzie start to explore the secret delights that they finally find in each other, can Ben protect Lizzie from the threats that try to tear them apart?

Mike Krane says

Holy crap that was a GREAT BOOK!!!! I loved the first book but this one had a little BDSM and the characters were freakin hysterical!!!! An excellent read, a MUST READ!!! Highly recommend.

Tammy says

Freakin' AWESOME! Ben and Lizzie's story was incredible. I laughed so much, gasped and did my share of panting in the Awesome story. This series is amazing

Laura says

I was given Stony Creek Hero for and honest review by Manic Readers

Ben Powell likes his women but isn't into relationships until he crosses paths with Lizzie Carmichael, now he can't even think about sleeping another woman. When he finds out that his Lizzie, who has been secretly crushing on him for years, is in trouble with the banker he comes up with a plan to help her. Lizzie knows that his interest in her is only fleeting and that it is a matter of time before he moves on and she is nursing a broken heart but she just can't say no to him and all she can do is try to shield her heart; but Ben has other plans if he can just reconcile what thought he wanted with what he really wants, which is Lizzie forever.

Favorite Quotes

"I don't know about you all but I have no appetite for dinner after that confession from mom. I think I need to wash my brain out with Listerine or something," --Ben

A super sexy follow up. Read it in one day. Who is next and when does it come out lol! Not soon enough.

Leesha says

DNF-Did not finish.

Jane says

They just get better and better!!

Sharon Fink says

What a great book to fall into. I loved Stony Creek Cowboy and read this as a continuation of the series. Fabulous. Loved hearing about all the characters that I fell in love with and even more so now. I blushed a few times at the BDSM sort of thing but it was written so well. I can't wait for the next!

Lovesromance says

Book two of my secret GREAT READS. I think I am in love with Benjamin Powell. In this story, he knows who he loves but sits like most men, on his rear, while trying to figure it all out. As usual, the details of the story are exceptional as well as a charming story peppered with humor. Absolutely a fabulous follow up to Stony Creek Cowboy and am excited to see whose story will be up next! Highly recommend!
