This is Love (High Stakes Billionaires) C.J. Thomas

Billionaire Nolan Foster made it impossible for me to say no.

From the moment he laid his eyes on me, I knew it was love at first sight. My life was a wreck, and I didn't deserve the attention. When my weekend getaway to the Colorado Rocky Mountains quickly turned into something it shouldn't have, I wondered if he was too good to be true.

Nothing in this world was by chance, and it didn't take me long to realize there was more to him than I'd originally thought. But when I learned he was predestined to be with another woman, the earth beneath my feet crumbled. If only heartache didn't feel so bad, then maybe I would have believed that this was love.

Hot Romance

I thoroughly enjoyed reading this story of two people thrown together in an unlikely way, and then torn apart by family ambition. It was painful to watch Nolan and Sophia growing toward one another when family duty was ripping Nolan into shreds. I enjoyed the suspense, angst, and hot romance between the two characters. I would recommend this book

Gladys says

With hot chemistry, an engaging plot and likable characters this book was a very good read. Nolan and Sophia's story is a wonderful blend of heat and heart. With steamy passion, drama, angst, twists, and hard choices to make, this book keeps your attention from page one. I'm posting a completely honest, voluntary review after reading this book.

Mountain retreat turns into love

Sophia wants to get away from her job after finding out the position she was promised was given to someone else so she goes to Vail for the weekend. When she arrives she soon crosses paths with Nolan Foster & it was love at first sight! But Nolan's family had other plans for him.

This love story is a mix of drama, angst, twists, passion & heart felt love. But there are some hard decisions that Nolan will have to make.

As with all of Cj 's books this one will keep your attention from the beginning.

Madeleine East says

Sophia goes to a mountain cabin owned by Nolan's family to actually get away not expect to find love. What she gets is a whole lot more than she was planning. Love, chemistry, drama all rolled in in. Another great read by CJ.

I voluntarily reviewed an advance reader of this book.

This is Love (High Stakes Billionaires)

Priceless, Passionate, Drama, Sexual, all of these things described this story! Can't wait to read more of this authors books! Excellent and challenging with just a right amount of that sexual relationship between the two character's in this story! Cliffhangers beware, but I personally don't care about status on this authors books, Excellent!!

FABULOUS !!!!

SEXUALLY INTENSE! HOT -N- SPICY, one book you can't put down!! Fast paced so enjoyable to read. I can't wait to see what happens next. I fell in love with all the characters. And really want her bestie to fall for one of her boyfriends brothers. Fingers crossed.

Didn't like being decieved

This is a fabulous romance, and would have garnered 5 stars from me.

Right up till the end that wasn't. This is just another of those "If you want to read the end of this one, you have to buy another one."

This dispicable practice is grubby, annoying, sleazy and always results in my removing that particular writer from my list of books.

Had the writer cared enough about her readers, or the story, to include the ending in the same book as the beginning, I would have sang it's praises. As is, 2 stars.

Pam L says

Yes,Love

Very sweet story, with all the brothers in this story, I would love to have seen Sienna and Monica move on, and have their own story. Could you see Sienna breaking up with Gary and falling for the new Governor, or Monica going out with Noah?

That's my opinion. I enjoyed the story, but would have liked to have seen more at the end with Sophia

organizing the company.Maybe it's coming???

I'm giving this 4 and a half stars,because I have in my head where I would like to see where this goes.

Nolan and Sophia

Sophia goes to Vail, Colorado to a Mountain Resort for a weekend. Nolan's family owns the condo where Sophia is renting. They notice one another and feel sparks happening.

Nolan's business card reads, "Call me if you need anything. Anything at all."

Wow! What a great story!! I surely wasn't disappointed!
