**Biostatistics for the Biological and Health Sciences [with MyStatisticsLab + eText Access Code]** Marc M. Triola , Jason Roy

*Biostatistics for the Biological and Health Sciences* is the result of collaboration between the author of the #1 statistics book in the country and an expert in the biological sciences field. The major objective of this book is to provide a thorough, yet engaging introduction to statistics for students and professors in the biological, life, and health sciences. This text reflects the important features of a modern introductory statistics course and includes an abundance of real data and biological applications, and a variety of pedagogical components to help students succeed in their study of biological statistics. **MARKET:** It is the ideal introduction to statistics for students and professors in the biological, life, and health sciences.
