## **A Daddy for Christmas**

Single mother Ellie Grant's little girl only wants one thing for Christmas: a daddy. But after adopting Gracie and losing her fiancé, Ellie made a vow to focus on motherhood—not romance. But the five-year-old has her sights set on veterinarian Wyatt Wright, a handsome widowed father whose toddler son means an instant brother. Ellie knows that Wyatt's heart is as closed to love as hers is. Yet when Wyatt also starts working at Wranglers Ranch, Ellie can't deny her growing feelings. Now her daughter's fondest wish might make two families into one just in time for Christmas.

### **Pam Jackson-gorsline says**

This is a fun story watching how the little girl manipulates the adults. There was enough twists and turns to keep the story moving.

#### **Her Christmas Family Wish is a great book!**

Her Christmas Family Wish is about forgiveness to other and yourself as God forgives us. I look forward to reading more books from the Wranglers Ranch series??

A riveting tale of how big a child's faith can be. The mother in this story was not looking for a mate, while on the other hand the father was also not looking for one either. Throughout time, God's will was set in motion and through the active prayers by a five year-old, what was meant to be happened.

### **Judine Brey says**

I liked how Wyatt realizes slowly that he cannot and should not follow the well-meaning promises extracted from him by his late father. I also found Ellie's willingness to give up her freedom to raise her niece heart-warming. That said, I thought the story itself tried to do too much. It covered topics from single parenting to child abuse to schizophrenia, giving none of them the full attention they would deserve. Also, some of the purchases the characters made felt extreme, given their concern about finances.

Her Christmas Family wish by Lois Richer. Ellie Grant, has a daughter Gracie. Ellie works at Wranglers Ranch. Veterinarian Wyatt Wright also works there and has a 2 year old son. They work together at times. Gracie is determined to have Wyatt as her daddy. Sparks do fly between Ellie and Wyatt. Wyatt adopts a boy who is being beaten by his uncle who he lives with. A very good story. A must read.

Her Christmas family wish

Gracie wants a daddy for Christmas. Ellie meets Wyatt and Gracie decides he is the one. Wyatt had a lot in his past he needed to resolve. He also is a single father. I really enjoyed this book, the characters were so real to me.
