Myself and I

Earl Sewell

Myself and I Earl Sewell

Lately, Keysha feels like a magnet for trouble—especially boy trouble. Her last love interest turned out to be a major fraud, and her ex, Wesley, refuses to accept that they're finished. Swearing off relationships and concentrating on herself seems like her smartest move.

Then Keysha meets her new neighbor Jerry, who has every girl in town vying for a summer fling. Working as lifeguards together, Keysha realizes that Jerry has more to offer than a great car and a sexy smile, and the harder she tries to ignore him, the more interested he becomes. But is it Keysha that attracts him or the chase itself? And when the biggest party of the year gets dangerously out of line, and Wesley's jealous new girl pins the blame on Keysha, she'll learn exactly who she can trust. Only problem is, it might be too late to save herself....

Myself and I Details

Janae says

It was insiteful and real as to what could actually happen to anyone. It helped me with my opinion of how i value myself and shouldn't let anything try and take that from me.

Nardsbaby Reader says

Don't Want No Drama!

Keysha has to be synonymous with D-R-A-M-A! This girl has had a rough life. Moving to the suburbs with her dad one would assume that she would finally get to relish in the lap of luxury, be a kid and enjoy the experience. Instead, Keysha is always the hot topic of her school.

Wesley, her ex, is no longer in Keysha's life. But you can't tell Lori, Wesley's jealous girlfriend that. Every time she turns around Keysha and Wesley seem to be joined at the hip. For Keysha, she's just concerned that

Wesley needs to be back in rehab. After her disastrous prom excursion with Antonio, the possible soon to be daddy, Keysha is on a boy cleanse. Or at least she tries to be until the new guy on the block, Jerry, impresses her with his skills. Keysha is looking forward to getting to know Jerry. Unfortunately when the cops are called, it appears that Keysha is in trouble yet again. Will she finally be able to live drama free?

MYSELF AND I by Earl Sewell is book five in the Keysha series. I love that you're getting to grow with Keysha, though I would love a book where Keysha is finally not the one with all of the impending drama. I really LOVE the way Grandma Katie educates her on African American history. MYSELF AND I took on a few heavy topics this book. I would've liked for Earl to spend more time being detailed about the consequences seeing that this is a teen series. A few editing issues, otherwise a quick read.

Kayla says

this was a good book but i didnt like the ending

daysi says

It was interesting, funny and entertaining.

Jessica Klasen says

best book right now

Laabrianna says

I think this is a pretty good book so far.

Regina taylor says

i love keshia shes the best

Itzel C says

The book "Myself and I" by: Earl Sewell was a great book starting from the first till the last page. What attracted me to this book was how Keysha, the main character, can relate to any teenage girl. What mainly caught my attention is how the book is written, everything that Keysha thinks is really descriptive, and you can picture it in your head.

The book is about a girl who like every other girl is having problems with her ex-boyfriend who cheated on

her. As Keysha tries to get over her ex there is other guys interested in her but she is not sure who she wants to be with. When she starts a new relationship she thinks everything is going to be ok but that's when her problems are going to get started. At the end she learns that's she doesn't need anyone to be happy with but herself. Threw out the story Keysha struggles finding herself and fighting with what life brings up to her. Everything about this book was successful, it shows you that life is always going to bring you problems but to find who you are you have to learn how to deal with those problems no matter what gets in your way.

love thiz damm boook diz da shitt

Dalesha R says

This summary is badly written, Jerry isn't a lifeguard

Shaniya says

I liked my book because it was a very good book. It was a good book because you could feel what the character is feeling when they are feeling it. Keysha's thoughts was very imaginable in the book so that is how you feel what she is feeling. Pg. 209.

You would like this book if you like to read about teenagers. You would like this book because Keysha can reflect as a teenager in real life because she goes through the pain or happiness of a typical teenager.

There is not a challenge in this book for me but one for other people might be was the way the story was told. This would be a challenge because the way it is told is like how Keysha is sometimes then she can leave but it wouldn't say where she is because it would be a different time period.

The main character of this book is Keysha and she has had her broken and then fixed and then broken again so many times she swears she is done with boys and she is only dating her self. But when she meets her new neighbor Jerry and she tries to ignore him but she cant resist him.
