## **Piercing the Veil** R.G. Alexander

Twins Hawk and Val are Fianna warriors under the vengeful curse of a scorned goddess. Following the prophecy in the Book of Veils, they search for the one who can help them retrieve the Claíomh Solais before their enemies get the chance. Their quest leads them to Linnea. One touch and there can be no doubt that they have found their match. But will she accept them once she knows the truth?

Linnea is no one special. So why is she on the run from evil faeries and her egotistical ex? Why is she suddenly spending time in the company of dragons, druids and one kinky Viking with a split personality? All she knows is she has to keep her family safe, and her heart safe from another betrayal.

## Maria Almeida says

I really Loved this book Thank You I hope another one follows soon

---

## Heather in FL says

Holy hotness, Batman! After the first one, I thought maybe the sex would be toned down in this one, too, which would be fine. I didn't miss the kink in the last one. But right off the bat, wow. That's not to say the sex overpowered the storyline. The story was still great and engaging and I can't wait for the next one (Sheridan and Finn should be interesting), but it was pretty darn hot sex. I didn't expect the whole Halloween splittance thing. And I don't think anyone could see the ultimate result coming. But it was a great story, a good way to keep the story and the prophecy moving, and it made me want to read the next one.

## Michelle Tempted By Books says

Following the prophecy in the Book of Veils, warrior twins Hawke and Fianna are on a search for the Claíomh Solais. When they find Linnea first both men are surprised to find that she is they mate. Can they except the reality? Naughty three some erotic tale, with just enough romance to leave you satisfied.

---

## Holly Smith says

I loved this story! It was a very unique concept that I have never read before with Hawk and Val. Great idea! Linnea was a great herione and adjusted very well to having two men. To be so lucky! The side stories definitely seem like there would be more in this series, but still waiting on book three and it has been awhile. I really hope R.G. Alexander continues this series.

## Kathy says

Temptation Unveiled #2

Wow! Within the first few pages of this book, the main characters are having a secret tryst in the woods bordering a Renaissance fair in Texas. This book started out rushed and that theme seemed to continue throughout. It definitely needed more, but it was still a good addition to this very creative series. Enjoy!

## **Kimberlee says**

Book two as good if not better than book one. Add in Queen Mirrigan or the Fae and old prophecy, a child half human and half fae and Viking twins cursed to inhabit one body by jealous goddess Freyja, but with a little help from Odin the curse is broken. But the prophecy is still unfulfilled. I cannot wait for book three and yes this is a definite reread.

---

## **Maya says**

It might be book 2 but it was easy to read as stand alone.
