## **Rage and Redemption** Cyndi Friberg

Proud and rebellious, Gideon is banished from the Light. His own words define his punishment, transforming bloodlust into literal hunger. Living by his sword, he wanders the land of mortals, embittered and alone.

Naomi works in secret, illuminating manuscripts for the Knights of St. John. Gideon is drawn to her beauty and fascinated by her innocence. She stirs the shattered remnants of his nobility, intensifying the conflict already raging within him.

Gideon is unlike anyone Naomi has ever encountered before. His passionate kisses and intoxicating caresses leave her restless and wanting. Still, she senses the bleak loneliness he tries so hard to deny. Responding to his seduction with tenderness, she is determined to help him rediscover the beauty in life.

The battle lines are drawn. Gideon must seek redemption or Fall. Naomi must lead her Rebel Angel back into the light before the forces of darkness destroy them both.

# From Reader Review Rage and Redemption for online ebook

## Angarad says

Loved this book. Angels, fallen angels and demons are a bit common as a subject but this story, set in medieval time, was original and I enjoyed reading it. Naomie is quite feisty for a woman raised with monks, creating an interesting contrast and a nice setting. But my favorite my Gideon, his duality, passion in every aspect of his life, light or dark and his unconditional love for Naomie.

## Merissa (Archaeolibrarian) says

Rage and Redemption is the first book in the Rebel Angels series, and tells the story of Gideon, an angel not quite Fallen but very close, and Naomi, an orphan staying in a monastery under the watchful eye of Gabriel. Gideon is being punished and the end time of his punishment is coming up, although he is unaware of that. He meets Naomi at the monastery and quickly becomes fascinated with her. This starts his journey of dealing with his issues, before the time runs out.

This was an enjoyable read, with very clear descriptions, both of the places and the characters. There were no editing or grammatical errors that disrupted my reading flow. Naomi faces her own challenges during this book, so it isn't all about Gideon. A complete tale in and of itself, yet giving a good description and introduction to the other Rebel Angels. Definitely recommended.

Who knew angels could be so naughty? Well, perhaps Gideon wasn't quite an angel anymore, but he wasn't quite Fallen either. Due to his own rebelliousness, Gideon was sent out of Heaven to live among man and is cursed by his own rebellious spirit. Naomi is an innocent in every way, and Gideon seeks to use her to get revenge on one of the angels involved in his punishment. But fate has other plans, and soon Gideon begins to lose his heart to the sweet woman he once sought to ruin. I love Cindi Friberg novels, and would recommend her work to anyone.

Light and darkness, good angel, bad angel but you can always turn things around when you have a positive in your life - in this case "love".

Rebel Angels #1

I am a huge paranormal fan and I am always interested in new stories of Angels.

In this first book of Rebel Angels series Cyndi Friberg gives the reader everything, some mystery, suspense, romance, hot steamy sex, and a dash of redemption as well.

This is a story of one Angel's inner struggle with Light and Dark or Good and Evil. Which will he embrace for all time?

As a rebel Gideon is sent to earth among the humans to learn his lessons and to make a choice. In his quest to annoy a brother he finds himself questioning his beliefs regarding humans. He also finds himself falling in love with Naomi, a human charge of his brother.

To save Naomi and himself will Gideon make the right choice?

Will he choose the Light or the Dark?

I really enjoy this version of good vs. evil, using Angels and their rebellion against God creating humans and giving them free will. In Rage and Redemption Gideon finds himself in the human world with free will and powers he that he needs to fight to keep control of. Gideon is a complex character that I slowly learned to love, and Naomi the only one to tame him.

**Oh my God!**

I would give this author a 10 star rating, if possible. Cyndi Friberg has twisted and emerged every emotion I have. Rage & Redemption is written to the depths of a being. Her story immersed me into the world of Shadows as I read and watched the lives of Gabriel, Naomi & Gideon unfold. Oh my God.

I did a search for speculative fiction and this was one of the titles that appeared. It was a free buy on my kindle app and it was a good read. It's a romance between a dark angel and a young girl that shows a pure heart can really transform someone from darkness to light.

It is not for those who like to keep the bedroom door shut in their fiction reading, but it's a good read. I'm looking forward to reading the other two books in this series.

This book was a good read if you like hot love scenes and good verses evil. I did find myself skimming over many pages of the love scenes as they felt over done and elongated. While the setting was historical it never bothered me whether the author was entirely true to history or not, as many fantasy novels can create their own laws and settings as long as they don't go out of bounds for the world of the characters.

Who knows, I am pick up another novel by the author. I'm definitely intrigued by the dark angel theory.

I am an artist and use material objects to create my art. Cyndi Friberg is an artist and uses words to create her art. I could picture the songs sung, the large wings as they protected the angels and smell the vile odor of the fallen demons. Will be interested in read her book about the female fallen angel.

The most enthralling, "Angelic" version of the existence and fate of those beautifully mysterious creatures of light and glory who are blessed to be one of the highest servants of the Creator. Man's existence and world here on earth is interwoven into the fate of some very specific angels in this story which is the first in the "Rebel Angels" series by Cyndi Friberg. Be prepared because Cyndi's angels will leave you feeling anything but holy! These angels are definitely glorious in more ways than one. :-) This particular story tells the tale of Gideon and his fall from grace into his own purgatory here on earth. Amid the beings that he despises so much and, yet, who he cannot live without, Gideon will find his ultimate test for redemption. An exciting

beginning to a very promising series, and I can't wait to read book two!

\*\*\*BORN OF THE SHADOWS = RAGE AND REDEMPTION.

It seems like bookbub has had a string of free books about fallen angels this month. Won't read the other books in this series even though I liked Cyndi Friberg's other space fantasy series.
