*Geronimo Stilton*

## **Slurp Monster Showdown** Geronimo Stilton

Geronimo Stiltonix and the spacemice are visiting a planet where the most delicious wild mozzarella grows. Yum! But the planet is plagued by the slurp monster -- a scary alien who wants all the mozzarella for himself! Can the spacemice restore harmony on this cheesy planet without getting slurped up themselves?

## **Ava Clarke says**

It was very adventurous and interesting actually I started getting hungry ? when I was reading? the book ?.

---

## **Kenzie says**

This book follows Geronimo Stiltonix who is visiting a new planet called mozzarellon where mozzarella grows wildly. But this planet has hundreds of evil slurp monsters a huge one eye alien who just wants to eat all the mozzarella on the planet.

So that means Geronimo will have to save the planet by stopping the slurp monsters.

It was so funny to see the slurp monsters and how Geronimo fixed it.

Definatly awesome!
