February 2019

Sherrilyn Kenyon's website: PUB Date TBA

Amazon: December 25th 2034

I think we'll have to wait and see when (or if ever) a new book will be released. As most of her Sherrilyn Kenyon's fans know by now she's filed a lawsuit against her (ex-)husband. Here's more on that: Article in The Guardian

I hope she gets well soon and wish her all the best.

August 2018

Old expected publication date from SK's website: February 9th 2019

Goodreads says: Expected publication: December 1st 2020!

And now from SK's website again: PUB Date TBA!

It's always fun to log these dates...they change so often these days it's funny or scary...depending on your point of view.

This will be Nero's book. Hopefully. Whenever it will be released. My guess: definitely not anytime during the next 2 years.

(Btw...Amazon.de still has the old series order listed; which was: Born of Trouble - Born of Darkness - Born of Blood)
