Dirty Girl

Rory Reynolds

Dirty Girl Rory Reynolds

Jenson Johns has wanted his sister's best friend for five long years. Keeping her at arm's length wasn't easy, but he had no choice—she was too young and too pure.

No longer a girl, Dylan Thomas has become all woman. Gone is the innocence that once kept him away. Her hungry gaze tells him all he needs to know.

Now he's ready to claim what's his... Once and for all.

Note: This novella is an insta-love erotic romance with a secret baby and guaranteed happily ever after.

Shontell Walker says

Great storyline

The beginning left you a bit confused, sped up slightly too fast, very hot, felt missing something in spots but despite it all pretty good story line. I'd love to have seen it more developed. My first time reading this author but I'm not against reading more

Kristie says

I really need to stop reading books like this.

No.

I really need to start DNFing books when I see that they are turning bad.

There is no connection. No real story. Just, **OMG sex is awesome and I'm coming. OMG!**

And then just when I thought maybe. NOPE AGAIN.

So no. This was not good. I did not like it at all. And the thing is, there are going to be a bunch of people out there who will love this book. And you know what? That's awesome. I didn't.

And also... THIS GIRL WAS NOT DIRTY! THERE WAS NOTHING DIRTY ABOUT THE SEX THEY HAD. So I guess that also ticked me off. Just sayin'. Because I HAVE READ SOME DIRTY SEX before. This was not that.

Alyse says

This novella just wasn't for me.

This novella just wasn't for me. I'm all for a alpha man, but I didn't find the H to be all that believable, likeable, or even "in love" with the h like he claims. I didnt feel any connection between the H and h. He just avoids her for years because she is underage and he can't "have her" like he wants till she's legal. Just a lot of them going at it like rabbits...

Alex ? says

[H lusted after h since she was 15. He slept only once with his ex-gf and then was celibate. His ex-gf caused some drama. (hide spoiler)]

Babel says

Dirty fun! A man who's been waiting for the girl of his dreams and naughty fantasies to be ready for him is quite tempting. He's also a dirty talker and knows how to please his sweet lady the first time and all after.

Jenson is that kind of male character who protects his girl even from his wanton desires. I liked his attitude very much. He's been away from home to prevent a breach of trust by pressuring his sister's friend into an intimacy she was young to accept. On the first scene, he seemed shy and reserved. That's why I was a bit surprised when suddenly the scene changes and he's pouncing on her as if he were a predator and she was a naïve sacrifice on the altar. There seemed to be a bit of change in time and mood that was not explained. However, their encounter was oh so sexy!

I liked everything about this sweet and cheeky story. Despite the fact that the transition of time and circumstances was confusing for me, as soon as I got my bearings, I enjoyed the story very much.

She's afraid her sudden intimacy with Jenson will ruin her relationship with his family and he's got some problems at work that might destroy their happiness. I'd have changed perhaps the order in which a couple of chapters were presented, but the dramatic turns in the story were exciting and the final part was gorgeous with all that sweetness, second chance love and good feelings.

I liked the sassy heroine from His Hellcat, yet I also like this shy, wounded heroine who wants to be cherished. Delicious!

NA'COLE JEFFERSON says

This was a slow after lunch read that left to much to the imagination. To many unanswered questions, I felt at time I was reading a brief summary.

?Tonya? says

This was a decent short read. A lot of ground was covered for the length. Jenson always liked his little sisters best friend, Dylan. She was quiet and shy, polar opposite of his sister. Jenson knew early on that he would make her his once she was old enough. So he planned his life accordingly.

- dirty talking alpha
- shy, quiet heroine who crushed on the hero
- hero stayed away from heroine as much as possible until she came of age (heroine thought he didn't like her because he avoided her)
- OM drama - none
- OW drama - (view spoiler)
- cute, short epilogue

Jenny says

Jenson has wanted his little sister's best friend for years. He has waited for her to grow up so as to claim her. Their love is deep and intense and Dylan gets pregnant but hero's ex girlfriend causes major drama and they break up! My heart broke for Dylan, she was alone and pregnant and miserable. I was so happy when Jenson finally found her and they reconciled. Adorable characters, lots of hot steamy sex and a perfect epilogue. I loved the hospital scene and seeing them happy with their baby boy melted my heart! Rory Reynolds you are amazing!

Eyvette Abreu says

Short & Steamy 3***

Jenson has been away from home for about 5 years. This is self-imposed, as he has been in love with his sister's best friend Dylan for a long time. However, he is older than her and when he started to develop feelings for her she was way to young. He has been studying and working and planning for the time he can claim his girl.

His feelings are not one-sided as Dylan has forever crushed on Jenson. He has always been protective of her, but she just thinks its more of a brotherly protectiveness. Dylan is alone after the death of her parents and has become a great part of Jenson's family. Even though he thinks Dylan is still not ready he is forced to come home to attend a special day for his parents.

There is a bit of a jump in time, when he finds Dylan in his bed, thinking about him (*wink*) and leaves, but then all of a sudden he is all over her.

This is a short hot read. Dylan is a possessive alpha and Dylan is his. Because of a drunken mistake Jenson made in H.S. we have some angst and drama. Jenson is in no way letting his girl get away.

"Don't push me away. I can't stand this distance a second more. I've been slowly dying without you, Please, I love you so much, Dylan".

OW Drama: (view spoiler)

4.25 DIRTY STARS

“Don’t push me away. I can’t stand this distance a second more. I’ve been slowly dying without you. Please, I love you so much, Dylan.”

The hero, Jenson has always been in love with his girl Dylan or at least since his sister Jackie became BFF with her back in grade school. Everything he does is with the intention of keeping her safe and protected. He tries to stay away from her because he feels so out of control when he is with her and she is too young for him and his feelings. He hasn't even had relationships since discovering he had feeling of a physical nature for our heroine.

He is one amazing faithful and protective man.

He is a protective alpha and I loved that about him!

He seizes the opportunity to get close to his love when her parents are killed unexpectedly and she moves in with her BFF. He pretends that his own home needs renovations and moves back into his family home with them.

The sparks fly when he see his little girl has become his dirty girl and she is a sleeping in his bed.

What's a guy to do, when confronted with the living embodiment of all his dreams?

The heroine, has never been very outgoing but she has always had deep feelings for her BFF older brother. She has been repressing her needs and feelings for so long that she has no idea how to express them. She is trying to come to terms with the loss of her family, when the hero slowly starts to consume her body and soul.

She wants everything with Jenson but was she brave enough to grasp it?

However, all is NOT perfect because many years before, the hero made one drunken mistake (way before he and the heroine are together or she is even an adult) by entered the town of Emilyville. This Emily is his psycho ex who has actually been locked away in a psycho ward for years. She escapes and tries to ruin everything by making wild accusations.

She is evil and unhinged!

Our heroine doesn't know that and when she is confronted with a naked woman in her lovers bed, one that is wearing his grandmother's ring, she runs away!

Heart broken and yes pregnant!

Will they find their way back to each other, and how does our hero react to the realization that his love has left him!?

I promise you will not be disappointed with this ending!

I LOVED THIS BOOK AND I WOULD RECOMMEND IT.

It's not going to be a life altering read but it's a short and sweet little story that makes sense and allows you to escape for a moment of two.

Just so you know this book was a completely random selection made while one clicking on Amazon. It's on KU and it's worth a look. At least I think so.

Safety is good with the hero having had one mistaken sexual encounters years before (that I find very suspicious) and the heroine being a virgin. They are all about each other and they don't go looking for others. She does push away because of misunderstanding but it's soon fixed.

Michelle says

♥

This is the first book I've read by this author and I have to say I liked the story. It is a love that is a long time in coming about but is totally worth the wait. I only wish that the author would have had Jensen admit how he waited for her to get old enough to engage in a relationship. It's a sweet sentiment that I think could have added to the story.
