### **Fran Hinton says**

#### **Delicious recipes for two**

I was skeptical that these recipes would be good. The chicken and chorizo soup with kale...delicious! I was able to tweak them a bit to suit my taste. Can't wait to try the desserts!

### **Melanie Donaldson says**

#### **Unusual**

Some strange recipes. Wished for more common foods. Will try some of them. Several breakfast dishes sound good. Time will tell.

### **Clayton Hines says**

#### **I found the recipes to not be something my family would enjoy.**

The recipe book was not typical daily meals most families would eat (IMO) . My family is picky eater, so this would not work.
