## **La apuesta mas atrevida** Brenda Jackson

Había mucho más en juego que una noche de pasión... Ian Westmoreland creía que no volvería a ver a Brooke Chamberlain hasta que la vio aparecer en su complejo hotelero en busca de descanso. Brooke lo había traicionado hacía años y ahora Ian estaba seguro de que detrás de aquella visita había algo más. Ninguna mujer había estado tan cerca de encender la pasión que había dentro de él. Así que si quería descubrir lo que Brooke ocultaba, ¿qué mejor manera de hacerlo que a través de la seducción?

Compared to the other books in the series, this one was a little too slow-moving for me. Casino owner, Ian Westmoreland just ran into FBI agent Brooke Chamberlain, who broke his heart 4 years ago. Is she at his casino to attend his cousin Delaney's surprise party or is there a more sinister reason?

Another wonderful and breathtaking Westmoreland love story. I am so thankful that Ian finally came to his senses as far as Brooke was concerned. His inability to trust her decision as an FBI AGENT in not one situation but two, cost him ( and her alike) four long years of being together. He needed to realize that in both situations her love for him made her make decisions to keep him safe from harm. This story truly took my breath away with the raw passion that was between them. This story and the series are must reads!

These are pretty formulaic but they are just so sweet and fun. I also love that I never have any "hang on, did he just rape her?" moments in Brenda's books. Refreshing change to the genre.

### **Gambling with love paid off**

I simply love Ian and Brooke. Their love story could really be one to touch any couples life. After being apart for 4 years, their love for one another still stood the test of time. Ian's love and respect for Brooke is what a lot of real relationships are missing today. Kudos to Ian for realizing his mistakes, and for going after the woman that he loved. A five star read!

### **All good**

This is a Westmoreland book. There is nothing not to like.

Ian Westmoreland exudes all the charm inherent in Westmoreland men. Brooke Chamberlain exudes all the sensuality and strength attractive to a Westmoreland man. As in every good story there is conflict but the ending is worth the read.

Vaya Ian Westmorelands al igual que Dare Westmorelands son tercos, testarudos y cabezotas, que les ha tomado años darse cuenta que han cometido un error sobre la decisión que han tomado y encima se les perdona rápidamente sin haber pedido perdón adecuadamente, puffff.

Not my favorite but I've read plenty of Westmoreland tales. This one was steamy and filled with drama but they had a previous relationship so I already knew the ending. Once they got over their fears it was all down hill from there and they couldn't stop the heat even if they wanted to.

Loved the story, I am sure this is my third time reading this book.

Loved it!

I may have read too many books in the Westmoreland series in one day. This one was just ok.

HOORAY...I'm FINALLY all caught up with the Westmoreland series...all the old and new books have been read...all that's left to do is sit and wait for the new stories to come out about the Colorado Westmorelands...I enjoyed Ian and Brooke's journey back to an INTENSE & PASSIONATE love affair...and despite Ian's best efforts I was glad to see he just couldn't seem to get Brooke out of his system...another SPICY romance...a little mystery...and another BIG Westmoreland style family affair...I can't wait to experience more of Mrs. Jackson's brand of Happily-Ever-After.

First of all this is my first book from Ashley and Jaquavis I thoroughly enjoyed the book. I'm a huge fan of street literature and they did not disappoint me. There was a lot going on with all of the characters, however I wish there could have been more about the father the leader of the family. But that guy Mecca he is going to be trouble for the family.

(read as an e-book)

Brooke Chamberlain is an FBI agent whose job is very important to her. She is sent on an informal assignment to a casino/spa to keep an eye on things because of some chatter about illegitimate dealings. Brooke is looking forward to some R & R, but doesn't want to run into the casino's owner, Ian Westmoreland. Their past relationship was a casualty of her career when she arrested his business partner.

Ian has worked hard trying to forget Brooke and doesn't trust the situation when she turns up at his casino. One thing they both can be assured of though, it that neither one is over the other.

3.25\*\*\*\*\*

Ian, now owner of a casino meets up with Brooke, his ex/ FBI agent, who is back to secretly save his business and his reputation. She is undercover on vacation to possibly detect an illegal gambling operation and prevent the threat of Tara's diamonds being stolen at her surprise birthday party. The two create sparks long thought dead and buried, but Brooke's job comes between them again. Dare and his family makes him realize that he is once again losing the love of his life over his insecurities.

Well developed characters, and an exciting plot climaxing into the pilfering triplets being revealed by Brooke!

## **Barb says**

Casino owner Ian Westmoreland thought he had seen the last of Brooke Chamberlain, until she checked into his resort claiming to need a little R & R. Brooke had betrayed him years before, and Ian was willing to bet there was more to her visit than she would admit. No woman had even come close to igniting the heat and passion inside him as Brooke once had. And if Ian was going to discover what Brooke was hiding, what better way than through seduction? But in this game of bedroom cat and mouse, the stakes were very high. Would Ian's ultimate gamble pay off? A very quick moving story. I've read a few Jackson books now, and she hasn't failed to entertain. 5 stars.
