Mail Order Marm by Kirsten Osbourne

Frederica Hughes had a good job teaching school in the town of Salmon, Oregon, and she finally had good friends to bare her soul to, but there was still something missing. When her friend Doris proposed sending for a mail order husband for Gretchen, who was seven months pregnant and unwed, she hoped for the best for her friend, but still felt badly for herself.

Darryl Miller has always been known as one of the demon horde. If he stays in Beckham, Massachusetts, he will never rise above the reputation, but he has nowhere to go! When he receives a letter from his sister asking him to marry her pregnant friend, he only hesitates for a moment. Two weeks later, he arrives in Salmon to marry a stranger. The only trouble is the stranger refuses to marry him. Within an hour, he finds himself married to another friend of his sister's. Will he be able to make a go of life with the beautiful straight-laced schoolteacher? Or has he made a huge mistake leaving everything to travel across country?

A Distant Shore: a Kansas Crossroads novelette by Amelia C. Adams

Collette Barnard has traveled from England to America to work as a ladies' maid for a spoiled socialite who doesn't want the California life her husband is seeking. When her employer leaves her husband in the middle of the night, Collette is discharged and abandoned in the town of Creede, Colorado, with little money and no idea what to do next.

When the kind hand of fate lands her at the Brody Hotel in Topeka, Kansas, she meets a handsome young man named Gabriel Brody, who is also struggling to choose the right path for his life. Perhaps together, they can piece together a future from the bits that have been left them.

Mail Order M'Lady by Carra Copelin

Lady Anne Medvale, the daughter of the Marquess of Thamesford, has created a scandal by running away with a prominent politician. In America, alone and penniless, she answers an ad in the Grooms' Gazette and travels to Beaumont, Texas as a mail order bride.

Morgan Grant, a dedicated cattleman/lawman isn't looking for a wife, but circumstances present themselves and he marries an unlikely mail order bride.

Can the two of them overcome their differences to live happily ever after?

Mail Order Millennium by Peggy L Henderson

Growing up in a privileged society may seem glamorous, but having every material possession has left Sherri Stucki feeling empty, exploited by her friends, and abandoned. A world where people see past her money seems like a far off dream, until a mysterious stranger offers her a second chance at the life she seeks.

Alexander Walker learned the hard way that city life – and its women – were not meant for him. He must complete one final job before returning to a life of solitude in his beloved mountains. The last thing he needs is a distraction from a spunky socialite who seems like a fish out of water.

As they travel together toward new destinies, Alexander and Sherri discover that the life they desire can only be found in each other.

Mail-Order Brides of Coldwater Creek Josie by Margery Scott

Josephine (Josie) Parker's birthday is coming up, which means she'll have to leave the Chicago orphanage where she's lived her entire life. With nowhere to go and no future to look forward to, she agrees to become

a mail-order bride to Cooper Thompson, a rancher in Coldwater Creek, Montana.

Cooper Thompson is happy with his life. He has his work, his family, and enough money to get by. He doesn't need – or want – anything more, especially a wife.

When Josie arrives in Montana, she's shocked to learn that Cooper's sister actually wrote the letter, and that he knows nothing about it.

## **From Reader Review Rustlers and Ribbons for online ebook**

### **Bobbie chu says**

#### **Great series of books!!**

Would highly recommend to anyone who loves to read good clean books. The characters in all these different books were great just as all the authors. Thank you for sharing.

---

### **Judy Esposito says**

#### **Rustlers and Ribbons !**

I thoroughly enjoyed this box set of 5 wonderful books written by 5 different authors. Each book was well written, with a good storyline! The characters were believable and well thought out, written by a few of my favorite authors. JudyE

### **Lyngay says**

#### **Mail order brides and groom apply within.**

Clean HEA stories, each story part of a series. Meeting other characters from those series. Each story can be a standalone story. You feel like apart of the family or community. Enjoyable and fun to read.

---

### **Anita Rohn says**

#### **Excellent**

Loved the stories made for pleasant reading in the campground when it was too cold outside. Great story especially the tie in to past series.

---

### **Marsha Spohn says**

Reviewed at Historically Romantic

I had such an amazing time reading the Rustlers & Ribbons anthology. I laughed, I cried and I had the time of my life with old friends, new friends and really, really good stories.

I, of course, have my two favorites. But in reality each and every story touched me, took me into another world for a bit and entertained me. I can't ask for much more than that. If you love Western Historical

Romance then I would highly recommend this wonderful gathering of stories in one place. You'll find stories that will move a series along a bit, and stories that may introduce you to new series or new to you authors. No matter what else happens you'll be entertained and have an enjoyable time. That's why I read Romance, in all genre.

I read this anthology through my Kindle Unlimited subscription.

### **Gail Abramowicz says**

#### **Fantastic**

Five stars for each in the box set. Highly recommended to anyone that likes historical romance. It amazes me how much the country has changed in a hundred years and reference to how it was for women particularly should make us appreciate those pioneers. Thanks Kristen.

### **Crystal says**

#### **Wonderful!**

This was a collection of romantic and wonderful tales. I especially loved Kirsten Osbourne's story, it was so sweet and lovely.

---

### **Judy says**

#### **Dixielee in Review**

Each book in this collection was wonderful. I'm a big fan of The Beckham Mail Order Brides and was glad to read a couple of their stories. I'm always ready to ready about the Miller children. Great collection by great authors

---

### **Sonya Thomas says**

#### **Blank**

Couldn't enjoy this because too many blank pages. I delete the book. I was looking forward to reading these book.

---

### **Kim says**

**I give Kirsten and this Book a Dozen Stars!**

The Stories in this Volume are wonderful stories that show how Love comes in different ways and at unexpected times. Rustlers & Ribbons is romantic, yet it inspires hope that Love can come at any time or situation. It made me smile & tear up as the seemingly impossible circumstances could open the door of Love.

---

### **Mary Jane McLeod says**

#### **Good group of books**

I enjoyed each of the books in this group. I can't pick a favorite. They are all sweet reads with interesting characters.

---

### **Kay says**

Good collection of stories.

---

### **Dorothy McClanahan says**

#### **Enjoyable**

Had difficulty putting the book down, very engaging. The first story i thought childishly written, almost did not continue, but I found the second story and subsequent stories wonderful short reads.

---

### **Joyce Mcgeorge says**

#### **Great set of books**

These books are all really great books. Worth reading them all. All the aurtherers did a great job. Listen to them on my kindle fire with the spell to listen. There are times when I need to stop and relisten so I am sure I heard it right. That for me is a good book when I don't want to miss any of it. Anyone should read them they are that good.

---

### **Lea & Sandra Kanae-Diocson says**

#### **Lovely compendium**

This collection of mail order brides and a groom were beautifully put together in a way that truly will touch any readers hearts.
