## **The Record of a Fallen Vampire, Volume 2** Kyo Shirodaira , Yuri Kimura (Illustrator)

- Shirodaira's debut novel *Meitantei ni Hana wo* (Rose and Detective) was nominated for the 8th Annual Ayukawa Tetsuya Award in 1997.
- The Record of a Fallen Vampire is from Square Enix, the Japanese publisher of Fullmetal Alchemist and Final Fantasy.
- Kyo Shirodaira is also the author for *Spiral-Suiri no Kizuna* (mystery manga that has anime tie-in – FUNimation did the English dubbing).
- Translated into Chinese and Korean
- Art is clean and dynamic (certain action panels look like you're watching anime).
- Strong secondary characters (reader gets to see the story told from different points-of-view; this makes the story more complex and interesting).

Thousands of years ago, Vampire King Akabara “Red Rose” Strauss lost both his kingdom and his queen. Since humans were unable to kill the queen, they sealed her away, erecting thousands of fake seals so that the king would never find her true location. Despite being pursued by relentless vampires, Akabara continues to search for his queen to this day...

Akabara is heavily injured during his battle against Kayuki, the newest incarnation of the Black Swan. Kayuki remains shrouded in mystery--not only does she bear a striking resemblance to the previous Black Swan, but she also offers Akabara a temporary truce! Why does she need to keep the Vampire King alive?

## **From Reader Review The Record of a Fallen Vampire, Volume 2 for online ebook**

### **Justine says**

4.5 stars

This volume is better than the first one; we discover more about the story, a new thread is added to the narrative, and the action scenes involve new characters!

---

### **Amy says**

While part of the mystery was explained, the story jumps 50 years. This in itself was slightly annoying, but the whole premise of the story feels very unlikely (how long does it take a super powerful vampire to find his wife, really?). Drawings are a little hard to understand, but again, ends with a big question that urged me to read the next one.

---

### **Jeffrey says**

Kyo Shirodaira is quickly realizing the potential of this story, building subplot on top of subplot. There's also a good deal of hand-waving which is a bit annoying. Still, I'm becoming accustomed to the art style and I'm curious to see where the story goes.

---

### **Steph says**

I loved the art and it has an interesting storyline. However, I am having slight trouble following it.

---

### **The Third Place A Teen Library says**

F SHI roafv v.1

---

### **Francine says**

I can't believe I've read this book thrice throughout the years, because I hardly remember a thing about it. The characters are pretty generic, although the artist is desperately trying to make them look cool - especially Renka, who's spending all his days looking gloomy and angsty in the rain because his girlfriend was killed fifty years ago. My overall feeling, reading this, is still "meh".

---

**Mr. Tally says**

The plot had divulged in many interesting details. I didn't get why that the Black Swan try to help Akabara. But most of the time the manga actually has a lot of action. This was worth the read. The manga was so addicting, and I can't stop reading it. Basically, I liked it not I loved it!
