the love triangle continues.
And zoMG!! what a revelation.
I enjoyed the extra. It's so nice to read about Hotaru's perspective.

Alice Academy = Gakuen Alice, Vol. 07 (Gakuen Alice, #7), Tachibana Higuchi

Jennifer says

4 Stars

Mikaela says

Gaaah! Am i the only crushing on Tsubasa? XD he's so cool. I honestly like him better than Natsume and Ruka. :P lol and those Alice stones seems beautiful. I used to think that Mikan was the daughter of Narumi and Yuka. Because of some rumors in some forums about this Manga. I wonder if it's true.

Doremili says

oh my god!!!

Biondy says

Heh? Yang terakhir itu... Ibunya Mikan??

Courtney (courtney & books) says

This is a continuation of the last volume so there's not a lot to comment on. Higuchi sensei is great at balancing humor and darkness, which is what makes this series so enjoyable. I love the plot and the world, but the characters and their relationships are what shines.

Jeffrey says

Tachibana Higuchi stumbles in this volume as Mikan and friends take off after Z agents who escaped the Academy. While it's mostly character development focused and does reveal a couple of things about our characters, it drags in what should be a suspenseful moment. Not the best volume by any stretch.

Doreen says

Ooh, I love this manga so much! But I have to admit, this book wasn't as good as previous ones, because I was never moved enough to cry (shut up, I'm sentimental.) That said, I did enjoy the scene by the moonlit lake. When are these silly boys going to realize that Mikan's true love is Hotaru? :D

Isel says

The only problem I have with this series is that I keep thinking they're like 6 year olds ? I don't know why. Everything else... nice. I'm actually liking the story. In the first volume I was a little iffy about it but now... ? I do hope Natsume and Mikan's relationship is nicely developed though. I mean I already know it'll go till they're a bit older and all that so really hoping it'll have a nice development.

Shanna Hurd says

Mikan and her friends are in great danger as they try to infiltrate the enemy's base and find a cure for her friends problems. And, who is the mysterious member of Z who seems to have a connection to Mikan, anyway?

Kate says

I'm caught up on the US release. The latest three volumes arrived in my mailbox yesterday morning. I was going to try to ration my reading...but I just couldn't (besides which, I got my husband to start reading the series, and I had to keep him company reading, too). This story is so addicting, and I'm so invested in the characters and what's going to happen to them, particularly Natsume, whose situation worries me and frustrates me the most.

Nicole West says

BAHH I love Yuka!

Almira says

This volume is both very depressing, and very cheerful. Even Natsume is quite funny, but it's really Mikan's idiocy that brighten up the manga. Idiocy, or perhaps, her being herself.

I want to have a prof like Narumi-sensei btw. T_T

Evee says

Omyyyyy. If my theory is right then Mikan's mother is still alive... and it's that lady...
REally?!? Hm... I feel like it isn't true though... Mikan's father is dead though... with what seems to be
suicide? Or murder? HMMMMMM
I have questionssss but not answersssss
