### **Linda says**

14 short stories.....some enjoyable, some not so much. Still I think most Christmas enthusiast would find it interesting.

### **Darcysmom says**

This collection of Christmasy short stories was a very sweet way to get in the spirit of the season. I read this book using serial reader, so I got a wonderfully bite-sized dose of holiday cheer every morning. Each story was filled with hope and joy - bringing a smile to my face. I suspect I will happily read these stories again next year.
