I'm not sure if I've read any of Jenna's book, I did enjoy this one. It's well written, has some twists and is heart warming. I know you're going to love it.

Cellist Bree Anderson is receiving a coveted music residency. She is thrilled even though her boyfriend told her she wasn't good enough and tried to keep her from going. She goes to Maple Springs for a month of vacationing. She didn't expect to be attracted to the man giving classes at the resort. Nothing could come from the relationship because she is already committed to her music.

Conservation Officer Darren Zelensky has lived in Maple Springs his whole life. He has been treated badly by the people who come each summer including a woman who broke his heart and then dumped him for one of the summer resident. He has worked hard to get where he is and is hoping for a promotion soon. He didn't expect to be attracted to the beautiful cellist but when he finds out what is under her beautiful exterior he can't help but fall. What could he do? He knew she was only there for a month and a long distance relationship would never work but how could he protect his heart?

A journey of two broken hearts struggling to find healing in the plush resort while carrying a ton of personal baggage. God has a plan for these two and He will turn their lives around to make it all work. God has a plan for your life too. Just surrender your life and watch Him turn your life around.
