a bit dull but it was okay

I thought this was a cool, action packed comic but I turned out to be this. I give credit to the author for the free books though.

Why I like this and dislike this book

I like this book because it a good book and it's funny. I didn't like the bullies because they were hateful and rude.

Sandra Stiles says

Every day Bug teases Amanda. He calls her shorty and other names. Amanda hates it. She tries to get even with him. But, what happens when she sees Bug being bullied for a physical defect he has.? Will she stand up for him or let him get what's coming to him? This is a wonderful book to teach children about bullying and about true friendship.

chynia says

Good for growing

This book is good for young children who don't understand the meaning of bullying. Book has one thing wrong though NOBODY told the teacher or adult that needs to happen
