I was able to read Daily Power for free from Netgalley, the publisher and the author for providing me with an ARC in exchange for an honest review.

The daily devotional is a great book because Craig Groeschel will help the reader become more discipline in daily readings and devotionals. Craig provides his readers a great view of what is here and now of our daily life. Also, he provides with his own experiences to provide us with great inspiration, daily life challenges and encouragement to help us connect more with God. Highly recommend this book for those who are looking for a guide and encouragement.

### **A Devotional Tool to Enrich Your Daily Time with God and His Word**

In "Daily Power", Craig Groeschel encourages every believer to set aside time each day to dig into God's Word, to become learners of the Word, and to remember that the Holy Spirit lives inside each of us, empowering us to live out the truth of God's Word.

Craig says, "He [God] delights in teaching us His truth. Through His Word, we have the opportunity to study His many lessons, each day discovering a new insight for a fresh angle to His truth that endures forever."

In a world that is full of discouragement and hopelessness, I find true hope in God and His Word. My worldview (the way that I see the world) is transformed with a Biblical worldview, as I learn more about God through His Word, which becomes my foundation and the truth that I stand on. I learn to daily die to

myself, knowing that my hope is in God. I am empowered by Him, the Holy Spirit, to live out God's truth daily.

Craig's style of writing is refreshing and empowering. The "Daily Power" devotional is a tool for spiritual growth written to enrich your daily time with God and His Word. Craig states in one of the devotionals: "We don't have to be perfect; we just need to rely on God as the source of our daily power."

365 daily devotionals - each one with a daily Bible verse, practical application, which is usually brought out through real life stories, and a "live it out" reflection prayer at the end. Get "Daily Power" today. It is for every believer - adult or teen - who is ready to be challenged to grow and become transformed by God's Word.

I received a complimentary review copy by the publisher. This review is my honest opinion.
