Developing the Portable Wargame

Bob Cordery

Developing the Portable Wargame Bob Cordery

This book has been written in direct response to the feedback from readers of 'The Portable Wargame', and includes three sets of rules – Ancient, Enhanced Early and Mid Twentieth Century, and Air Combat – and chapters that look at Army Lists, Mini-campaigns, and Scenarios. All the rules have been designed to be used with a gridded tabletop made up of squares or hexes.
