While Ben Raines and his Rebel army have triumphed in Africa, America has been consumed in the flames of anarchy. After a terrifying civil war, the commander-in-chief has vanished, a new constitution has been born, and a power mad president has soared to infamy. Dead or alive, she wants Raines brought down for crimes of treason. But Raines has the men, the weapons, and the guts to start his own bloody revolution!.

### **Timothy Boyd says**

Very good adventure series. Basically the forming of a new United States after WW3 and the story of the man who leads and forms it. If you like men's adventure stories you will enjoy it. Recommended

### **Stephen says**

Ben is back home in the SUSA, and war is brewing. Liberal socialists have taken over the government of the USA and rewritten the Bill of Rights and Constitution. They take it one step further by abducting Ben's adopted daughter, Anna. Ben heads out for a one man search and destroy mission to recover her.
